Lapd Detective Manual:

Catalog of the Police Library of the Los Angeles Public Library Los Angeles Public Library. Municipal Reference Library. Police Division, 1972 **The Lazarus Files** Matthew McGough, 2019-04-30 A deeply reported riveting account of a cold case murder in Los Angeles unsolved until DNA evidence implicated a shocking suspect a female detective within the LAPD's own ranks On February 24 1986 29 year old newlywed Sherri Rasmussen was murdered in the home she shared with her husband John The crime scene suggested a ferocious struggle and police initially assumed it was a burglary gone awry Before her death Sherri had confided to her parents that an ex girlfriend of John's a Los Angeles police officer had threatened her The Rasmussens urged the LAPD to investigate the ex girlfriend but the original detectives only pursued burglary suspects and the case went cold DNA analysis did not exist when Sherri was murdered Decades later a swab from a bite mark on Sherri's arm revealed her killer was in fact female not male A DNA match led to the arrest and conviction of veteran LAPD Detective Stephanie Lazarus John's onetime girlfriend The Lazarus Files delivers the visceral experience of being inside a real life murder mystery McGough reconstructs the lives of Sherri John and Stephanie the love triangle that led to Sherri's murder and the homicide investigation that followed Was Stephanie protected by her fellow officers What did the LAPD know and when did they know it Are there other LAPD cold cases with a police connection that remain unsolved

Detective Operations Manual Los Angeles (Calif.). Police Department, Los Angeles (Calif.). Police Department. Investigative Analysis Section, 1999 **Rockstar Games and American History** Esther Wright, 2022-08-22 For two decades Rockstar Games have been making games that interrogate and represent the idea of America past and present Commercially successful fan beloved and a frequent source of media attention Rockstar's franchises are positioned as not only game changing ground breaking interventions in the games industry but also as critical cultural histories on America and its excesses But what does Rockstar's version of American history look like and how is it communicated through critically acclaimed titles like Red Dead Redemption 2010 and L A Noire 2011 By combining analysis of Rockstar's games and a range of official communications and promotional materials this book offers critical discussion of Rockstar as a company their video games and ultimately their attempts at creating new narratives about U S history and culture It explores the ways in which Rockstar's brand identity and their titles coalesce to create a new kind of video game history how promotional materials work to claim the authenticity of these products and assert the authority of game developers to perform the role of historian By working at the intersection of historical game studies U S history and film and media studies this book explores what happens when contemporary demands for historical authenticity are brought to bear on the way we envisage the past and whose past it is deemed to be Ultimately this book implores those who research historical video games to consider the oft forgotten sources at the margins of these games as importance spaces where historical meaning is made and negotiated Watch our book talk with the author Esther Wright here https://youtu.be/AaC_9XsXCQ *Sergeant O'Leary and the L.A.P.D*

Tom Swicegood,2013-09 Dangers and conflict are faced by police officers everywhere In a huge metropolis those threats are multiplied Law enforcement must depend upon dedicated men and women bravely working together to keep each other safe Or so one might expect Sergeant O Leary and the L A P D tells a different story This is the truth authorities in the City of Angels did not want printed It is the story of a Los Angeles police officer who battled internal harassment and threats to his life yet refused to be run out of the L A P D Why was Sergeant O Leary faced with such problems Because other police officers thought he was gay I better never have to work with a queer If I do I ll wait until some night when there s a burglary call and we re in a dark building states a Los Angeles patrolman My 45 will accidentally take care of him One shot to the head No more fag No more problem This will be a better world Such threats are not idle Homophobic officers provide drama and suspense Uncontrolled cops in Rampart Division beat Hispanics and blacks There are gunfights in 77th and a storm at Venice Beach Yet parts of O Leary s story are genuinely funny Here are tales of a deer shot and killed in the bloody back seat of a speeding patrol vehicle of a too generously endowed academy recruit of cops playing chicken with squad cars in Beverly Hills after midnight and married men in blue looking for easy dates It s all entertaining

gangs have become a fact of life in the U S but where did these violent groups come from and why are they so appealing to so many youths today This comprehensive guide provides answers to these questions and more It will open your eyes to a world few of us know but most of us fear Blue Joe Domanick,2016-08-23 American policing is in crisis Here award winning

investigative journalist Joe Domanick reveals the troubled history of American policing over the past quarter century He begins in the early 1990s with the beating of Rodney King and the L A riots when the Los Angeles Police Department was caught between a corrupt and racist past and the demands of a rapidly changing urban population Across the country American cities faced similar challenges to law and order In New York William J Bratton was spearheading the reorganization of the New York City Transit Police and later the 35 000 strong New York Police Department His efforts resulted in a dramatic decrease in crime yet introduced highly controversial policing strategies In 2002 when Bratton was named the LAPD s new chief he implemented the lessons learned in New York to change a department that previously had been impervious to reform Blue ends in 2015 with the LAPD on its unfinished road to reform as events in Los Angeles New

York Baltimore and Ferguson Missouri raise alarms about the very strategies Bratton pioneered and about aggressive racial profiling and the militarization of police departments throughout the United States Domanick tells his story through the lives of the people who lived it Along with Bratton he introduces William Parker the legendary LAPD police chief Tom Bradley the first black mayor of Los Angeles and Charlie Beck the hard nosed ex gang cop who replaced Bratton as LAPD chief The result is both intimate and expansive a gripping narrative that asks big questions about what constitutes good and bad policing and how best to prevent crime control police abuse and ease tensions between the police and the powerless Blue is not only a page turning read but an essential addition to our scholarship Adapted from book jacket **Murder on Stilettos (A**

Detective Joe Ezell Mystery, Book 4) P.J. to save another officer's life While she waits for the police commission to rule on the shooting she's called out to probe the gruesome homicide of Anya Nosova a nineteen year old Russian beauty whose body is found in the Los Angeles sewer system With her own case in limbo Davie knows that any mistakes in the investigation could end her career As she hunts for the murderer somebody begins to hunt her and it's no longer just her job that's on the line Praise Smiley kicks off a hard boiled series with a bang in this fast paced novel that sweeps readers along quickly Library Journal An excellent book about the emotions that drive some of the best policemen and women to go after their own justice no matter the cost Suspense Magazine Terrific The classic cop story goes contemporary in this suspenseful riveting thriller Instantly cinematic and completely authentic LAPD's tough and savvy Davie Richards will capture your heart It's a page turner from moment one Hank Phillippi Ryan Agatha Anthony and Mary Higgins Clark Award winning author Pacific Homicide combines an insider's knowledge of the LAPD with a clear eyed no nonsense heroine and an entertaining dry wit Davie Richards is easy to fall in love with and her story is full of surprising twists Matt Witten writer and producer for Pretty Little Liars House Medium Law Order and Homicide Patricia Smiley at the top of her form in this multi layered thriller writes with the authenticity of Joseph Wambaugh Paul Levine bestselling author of Bum Rap

Stress Inside Police Departments Jon Shane, 2019-12-06 This book offers researchers police practitioners and policymakers a platform for organizational reform and an understanding of how the police organization creates stress which contributes to reduced officer performance This book based on an in depth study exploring the relationship between perceived organizational stressors and police performance indicates which features of the police organization generate the most stress affecting performance and provides a model of organizational stress that applies to police agencies While much stress research portrays the operation of policing as the greatest source of contention among officers this research shows the ever present rigid hierarchical design of the police agency to be contributing factor of stress that affects performance Ideal for scholars police personnel and policymakers who are interested in how the police organization contributes to lower officer performance this book has implications for policing agencies in the United States and worldwide

The Sin Blue Line: How God delivered me from the LAPD and other miracles Barry Brooks J.D., 2017-06-15 At the age of twenty three Barry Brooks was saved after accepting Jesus Christ as his Lord and Savior Shortly thereafter the Lord called Barry from a quiet small town in New England to South Central Los Angeles and the LAPD As many deadly threats faced Barry on a daily basis on the streets of Los Angeles during the crack wars of the late 1980s and 1990s his biggest battle would come not from the dangers of the street but from within the ranks of the LAPD After exposing systematic corruption leading all the way up to the chief of police and city officials Barry would endure a seventeen year battle of retaliation which came very close to costing him his life his liberty prison and certainly his career However God manifested Himself in overt and incredible ways during this time of trial giving Barry the strength to resist and at the same time grow in his faith Although Barry's story reveals the sin of the LAPD's thin blue line the main purpose of this book as
