From Out of the Blue Nadia Nichols, 2011-09-15 Sometimes help comes from where you least expect it No one believed that Lieutenant K C Jones would make it to Top Gun Which is why she d kept the night she d flamed out over Alaska a secret along with what

happened afterward when she'd ended up in a stranger's arms and got pregnant risking everything she'd worked so hard for. But now she's on a last ditch mission to track down Mitch McCray to tell him about his son and find out what kind of father he'd make. Too bad the charismatic pilot has a way of making her rethink every decision she's made in the past four years. Starting with her decision to leave him behind. A LITTLE SECRET But a big surprise. **Out of the Blue** Patricia Schmidt Jameson, 2016-11-18. When Molly Russell's husband of twenty-two years asked for a divorce, she thought her life was over. Finding the love of a godly man seemed an impossible dream. Once Paul Perkins declared his love for her, it didn't take her long to see God's hand. But would she still see it as God's hand when Paul loses his left leg in a farm accident and cancels their engagement? Did her faith remain strong when her best friend miscarried the baby she and her husband had prayed for for fourteen years? Would her faith remain strong when her ex-husband set fire to the house where she and her three kids were staying? Bad things do happen to good people, but God. **Out of the Blue** Michael Kemball, 2010-02-05. Every once in a while a book comes along that inspires and moves us. This is such a book. A true story of one man's journey learning to fly. When Mike's instructor asks, "Do you value your life? Do you feel alive?" and later when Mike asks himself, "If I can fly, what else can I do?" you find yourself wondering how you would respond. As we continue reading, we are motivated to look at whether we are truly living life or just going through the motions. A wonderful read for anyone on their quest for those who are seeking and those who are asking the questions. Debra Fentress. Since ancient times, flying symbolises freedom in man's quest to take to the air and let his spirit soar. The experience of learning to free fly was profound, a symbol of realising even more of your potential. After flying with wild eagles, I wrote down my experience to share with those close to me and my story about learning to paraglide is the result of integrating the various levels of my experience. My wish is for you to share this sense of awe to experience the magic and wonder of learning the miraculous transformation within that enables you to reach heights you dream about physically, emotionally, intellectually, and even spiritually. You may even be inspired to take the leap and learn to fly in any sense of the word. Now there's a thought. Out of the Blue Elise Noble, 2017-03-07. Chess Lane is getting married.
