Last Vampire Standing Paranormal Romance Berkley:

Romance Fiction Kristin Ramsdell, 2012-03-02 A comprehensive guide that defines the literature and the outlines the best selling genre of all time romance fiction More than 2 000 romances are published annually making it difficult for fans and the librarians who advise them to keep pace with new titles emerging authors and constant evolution of this dynamic genre Fortunately romance expert and librarian Kristin Ramsdell provides a definitive guide to this fiction genre that serves as an indispensable resource for those interested in it including fans searching for reading material as well as for library staff scholars and romance writers themselves This title updates the last edition of *Romance Fiction A Guide to the Genre* published in 1999 While the emphasis is on newer titles many of the important older classics are retained keeping the focus of the book on the entire genre instead of only those titles published during the last decade Specific changes include new chapters on linked and continuing romances a new section on Chick Lit in the Contemporary Romance chapter an expansion of coverage on the alternative reality subset This is THE romance genre guide to have **Last Vampire Standing**, 2009 228 year old Francesca Marinelli thought her past was dead Then a stranger from the Atlanta vampire nest crashes her home looking for sanctuary A budding stand up comic Jo Jos running from an undead superior eager to drive a stake through the heart of his dream job But Jo Jos bad jokes arent the only dark clouds on the horizon A psychotic vampire with a murderous agenda has followed Jo Jo to Florida putting everyone close to Francesca in danger Always the Vampire Nancy Haddock, 2011 When a magical construct called the Void causes her mostly human boyfriend to become ill vampire princess Cesca Marinelli springs into action in this paranormal romance from the author of *Last Vampire Standing* and *La Vida Vampire Original* Fang-tastic Fiction Patricia O'Brien Mathews, 2011 Mathews uses a limited definition of paranormal and examines works set for the most part in a relatively realistic modern world inhabited by both humans and paranormal beings

The Twilight Saga Claudia Bucciferro, 2013-12-12 When Stephenie Meyer's first novel *Twilight* was published in 2005 it had an astounding reception selling millions of copies The three sequels that followed *New Moon* *Eclipse* and *Breaking Dawn* became international bestsellers as well The worldwide success of the movie adaptations further cemented the series as a cultural force on par with other popular franchises such as *Harry Potter* But why is this What is it about *Twilight* that makes it so appealing to people And what does *Twilight*'s success reveal about transnational cultural trends In *The Twilight Saga Exploring the Global Phenomenon* Claudia Bucciferro has assembled a collection of essays that examine the series from a variety of perspectives The essays in this volume consider both the books and the movies emphasizing the relationships among the texts the audience the entertainment industry and other aspects of the multimillion dollar franchise Organized into five sections the chapters offer a contextualization of the series appeal explore different types of *Twilight* audiences analyze the cultural referents associated with the main characters and present new ideas regarding representations of gender sex class and race Concluding essays examine the saga's influence unveiling its links to newer works such as *The*

Hunger Games True Blood and Fifty Shades of Grey Making sense of how the popular franchise fits within larger contexts this collection addresses Twilight from an interdisciplinary framework including insights from history philosophy literature sociology fan studies intercultural communication film studies and more Featuring contributions by scholars from the United States France Spain Chile and Australia this book emphasizes the international and intercultural relevance of the Twilight phenomenon The collection is aimed at scholars and students of media and popular culture but it will also appeal to general readers who are familiar with the series

Horror Literature through History Matt Cardin, 2017-09-21 This two volume set offers comprehensive coverage of horror literature that spans its deep history dominant themes significant works and major authors such as Stephen King Edgar Allan Poe and Anne Rice as well as lesser known horror writers Many of today's horror story fans who appreciate horror through movies television video games graphic novels and other forms probably don't realize that horror literature is not only one of the most popular types of literature but one of the oldest People have always been mesmerized by stories that speak to their deepest fears *Horror Literature through History* shows 21st century horror fans the literary sources of their favorite entertainment and the rich intrinsic value of horror literature in its own right Through profiles of major authors critical analyses of important works and overview essays focused on horror during particular periods as well as on related issues such as religion apocalypticism social criticism and gender readers will discover the fascinating early roots and evolution of horror writings as well as the reciprocal influence of horror literature and horror cinema This unique two volume reference set provides wide coverage that is current and compelling to modern readers who are of course also eager consumers of entertainment In the first section overview essays on horror during different historical periods situate works of horror literature within the social cultural historical and intellectual currents of their respective eras creating a seamless narrative of the genre's evolution from ancient times to the present The second section demonstrates how otherwise unrelated works of horror have influenced each other how horror subgenres have evolved and how a broad range of topics within horror such as ghosts vampires religion and gender roles have been handled across time The set also provides alphabetically arranged reference entries on authors works and specialized topics that enable readers to zero in on information and concepts presented in the other sections

The Gardella Vampire Hunters Starter Set Colleen Gleason, 2016-06-24 LIMITED TIME ONLY This starter set is only available through August 30 2016 Starter Set includes the first three full length novels of New York Times bestselling author Colleen Gleason's Gardella Vampire Hunters series Read the international bestselling series that's been translated into eight languages and has received rave reviews from paranormal romance authors and national publications alike The award winning New York Times bestselling author Colleen Gleason's International Bestselling Gardella Vampire Hunter Series Sophisticated sexy surprising J R Ward One of my favorite vampire series Jeaniene Frost Colleen Gleason's irresistible series is deliciously dark and delightfully entertaining Chicago Tribune Gleason's publishing debut turns vampire stories and romances on their ear Detroit

Free Press Beneath the glitter of dazzling nineteenth century London Society lurks a bloodthirsty evil Vampires have always lived among them quietly attacking unsuspecting debutantes and dandified lords as well as hackney drivers and Bond Street milliners If not for the vampire slayers of the Gardella family these immortal creatures would have long ago taken control of the world In every generation a Gardella is called to accept the family legacy and this time Victoria Gardella Grantworth is chosen on the eve of her debut to carry the stake But as she moves between the crush of ballrooms and dangerous moonlit streets Victoria s heart is torn between London s most eligible bachelor the Marquess of Rockley and her dark dangerous duty And when she comes face to face with the most powerful vampire in history Victoria must ultimately make a choice between duty and love This boxed set starter collection includes *The Rest Falls Away* *Rises the Night* *The Bleeding Dusk* All five books are now available Praise for *The Gardella Vampire Hunters Series* The Rest Falls Away Gleason s publishing debut turns vampire stories and romances on their ear with a decidedly dark decidedly unsentimental Regency heroine who stakes the undead with the best of them *Detroit Free Press* The undead rise to great heights through Gleason s phenomenal storytelling She creates a chilling world with the perfect atmosphere of fear and sexual tension *Romantic Times* Gleason keeps upping the ante with each novel weaving the characters around her readers with each engaging conversation and narrative every stage set of all the appropriate gothic gloom and melting beauty *Book Fetish* Above all the writing is what recommends this book most Gleason s writing is sharp and taut which makes for excellent action sequences and a plot that travels quickly from the start The writing strength alone gives me ample reassurance that this potentially plot heavy series is in the right hands I m definitely looking forward to the next installment *Smart Bitches Trashy Books*

Supernatural Fiction Writers Richard Bleiler, 2003 The Scribner Writers Series has set the standard for literary reference for more than 25 years In addition to addressing the lives and careers of important writers the articles discuss the themes and a styles of major works and place them in pertinent historical social and political concerns for today s readers Novelists playwrights essayists poets short story writers and more recently genre writers in science fiction and mystery are all expertly discussed in the more than 17 sets comprising this series To see listings of writers for any volume in this section go to the Scribner Writers Series section online at www.gale.com/scribners J K Rowling Peter Straub Anne McCaffrey these are among the many widely read authors in fantasy and horror genres covered in this addition to Scribner s 1985 two volume set *Essays* written by scholars yet accessible to the general reader and student treat both writers who have risen to prominence since the 1985 edition and those whose careers have continued since original coverage such as Stephen King Ursula K LeGuin and Harlan Ellison The index cumulates the index from the first two volumes
