Last Words Final Thoughts Of Catholic Saints And Sinners:

Last Words Paul Thigpen, 2006 The last words of the dying have long captured the popular imagination Why this abiding interest in exit lines Perhaps because these final words spoken in hope or fear joy or sorrow provide a view from the border between this world and the next As this provocative and sometimes amusing collection illustrates those who have gone before leave us with much more than helpful epigrams or witticisms Paul Thigpen points out that their final words can actually point us to fundamental realities to the very heart of God Even those sinners and strays who failed to live their faith may reveal much about the final shape of things to come From comforting to sobering these selections provide food for thought regarding the nature of Christian hope and the promise of eternal life

Theology After Reading Darren J. N. Middleton, 2008

Examining Graham Greene s *The End of the Affair* Toni Morrison s *Sula* Nikos Kazantzakis s *The Last Temptation of Christ* Earl Lovelace s *The Wine of Astonishment* and Paul Thigpen s *My Visit to Hell* Middleton deftly illuminates the expression of both mainstream and progressive Christian doctrines as themes in these selected works of fiction ultimately reaffirming the graced search for meaning in the mindful Christian life

Last Words Karl S. Guthke, 1992-10-30 Whether Goethe actually cried More light on his deathbed or whether Conrad Hilton checked out of this world after uttering Leave the shower curtain on the inside of the tub last words regardless of authenticity have long captured the imagination of Western society In this playfully serious investigation based on factual accounts anecdotes literary works and films Karl Guthke explores the cultural importance of those words spoken at the border between this world and the next The exit lines of both famous and ordinary people embody for us a sense of drama and truthfulness and reveal much about our thoughts on living and dying Why this interest in last words Presenting statements from such figures as Socrates Nathan Hale Marie Antoinette and Oscar Wilde I am dying as I have lived beyond my means Guthke examines our fascination in terms of our need for closure our desire for immortality and our attraction to the mystique of death scenes The author considers both authentic and invented final

statements as he looks at the formation of symbols and legends and their function in our culture Last words handed down from generation to generation like cultural heirlooms have a good chance of surviving in our collective memory They are shown to epitomize a life convey a sense of irony or play to an audience as in the case of the assassinated Mexican revolutionary Pancho Villa who is said to have died imploring journalists Don't let it end like this Tell them I said something Originally published in 1992 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The Catholic Enlightenment Ulrich L. Lehner, 2016-01-06 Whoever needs an act of faith to elucidate an event that can be explained by reason is a fool and unworthy of reasonable thought This line spoken by the notorious 18th century libertine Giacomo Casanova illustrates a deeply entrenched perception of religion as prevalent today as it was hundreds of years ago It is the sentiment behind the narrative that Catholic beliefs were incompatible with the Enlightenment ideals Catholics many claim are superstitious and traditional opposed to democracy and gender equality and hostile to science It may come as a surprise then to learn that Casanova himself was a Catholic In *The Catholic Enlightenment* Ulrich L. Lehner points to such figures as representatives of a long overlooked thread of a reform minded Catholicism which engaged Enlightenment ideals with as much fervor and intellectual gravity as anyone Their story opens new pathways for understanding how faith and modernity can interact in our own time Lehner begins two hundred years before the Enlightenment when the Protestant Reformation destroyed the hegemony Catholicism had enjoyed for centuries During this time the Catholic Church instituted several reforms such as better education for pastors more liberal ideas about the roles of women and an emphasis on human freedom as a critical feature of theology These actions formed the foundation of the Enlightenment's belief in individual freedom While giants like Spinoza Locke and Voltaire became some of the most influential voices of the time Catholic Enlighteners were right alongside them They denounced fanaticism superstition and prejudice as irreconcilable with the Enlightenment agenda In 1789 the French Revolution dealt a devastating blow to their cause disillusioning many Catholics against the idea of modernization Popes accumulated ever more power and the Catholic Enlightenment was snuffed out It was not until the Second Vatican Council in 1962 that questions of Catholicism's compatibility with modernity would be broached again Ulrich L. Lehner tells for the first time the forgotten story of these reform minded Catholics As Pope Francis pushes the boundaries of Catholicism even further and Catholics once again grapple with these questions this book will prove to be required reading
