

LATIN AMERICAN POLITICS

SECOND EDITION

AN INTRODUCTION

DAVID CLOSE

Latin American Politics David Close

Astrid Bothmann

Latin American Politics David Close:

Latin American Politics David Close, 2009-01-01 Highlighting eleven different topics in separate chapters the thematic approach of Latin American Politics offers students the conceptual tools they need to analyze the political systems of all twenty Latin American nations Such a structure makes the book self consciously comparative allowing students to become stronger analysts of comparative politics and better political scientists in general *Latin American Politics* David Close, 2017-05-18 Latin American Politics Second Edition is a thematic introduction to the political systems of all 20 Latin American countries The approach is self consciously comparative and encourages students to develop stronger comparative analysis skills through such topics as history violence democracy and political economy Fully updated and revised this second edition also includes a new chapter on parties elections and movements Each chapter is now framed by a prologue and an epilogue to engage students and provide more country specific content **Latin American Politics** David Close, 2017 Latin American Politics Second Edition is a thematic introduction to the political systems of all 20 Latin American countries

Undoing Democracy Elvira Cuadra, Katherine Hoyt, Karen Kampwirth, Salvador Marti Puig, 2008-01-01 David Close and Kalowatie Deonandan focus their analysis on the pact struck between the Nicaragua s two main parties the Liberals and the Sandinistas which allowed the passage of the constitutional amendments that weakened Nicaragua s basic political institutions Undoing Democracy will sharpen our understanding of democratic transition and consolidation and will serve as an important contribution to the literature on Nicaragua Latin American politics and democratization *Contesting Trade in Central America* Rose J. Spalding, 2014-04-15 In 2004 the United States five Central American countries and the Dominican Republic signed the Central American Free Trade Agreement CAFTA signaling the region s commitment to a neoliberal economic model For many however neoliberalism had lost its luster as the new century dawned and resistance movements began to gather force Contesting Trade in Central America is the first book length study of the debate over CAFTA tracing the agreement s drafting its passage and its aftermath across Central America Rose J Spalding draws on nearly two hundred interviews with representatives from government business civil society and social movements to analyze the relationship between the advance of free market reform in Central America and the parallel rise of resistance movements She views this dynamic through the lens of Karl Polanyi s double movement theory which posits that significant shifts toward market economics will trigger oppositional self protective social countermovements Examining the negotiations political dynamics and agents involved in the passage of CAFTA in Costa Rica El Salvador and Nicaragua Spalding argues that CAFTA served as a high profile symbol against which Central American oppositions could rally Ultimately she writes post neoliberal reform involves not just the design of appropriate policy mixes and sequences but also the hard work of building sustainable and inclusive political coalitions ones that prioritize the quality of social bonds over raw economic freedom **Repression and Accommodation in Post-Revolutionary States** M. Krain, 2000-07-06 We know very little about political dynamics in states

that have just experienced an internal war despite the increasing need to deal with such states in the post Cold War world Matthew Krain examines what prompts leaders in post revolutionary states to employ repression or accommodation Through statistical analysis and case studies of Iran Cuba Nicaragua and Bolivia he also examines the effects of these choices on how the domestic opposition reacts what type of political system develops in the new state and whether or not the leaders who institute these policies survive in power in the long run Krain concludes with a series of policy recommendations

Contemporary Mexican Politics Emily Edmonds-Poli, David A. Shirk, 2020-03-10 This comprehensive and engaging text explores contemporary Mexico's political economic and social development and examines the most important policy issues facing the country today Readers will find this widely praised book continues to be the most current and accessible work available on Mexico's politics and policy

The Ends of Modernization David Johnson Lee, 2021-08-15 The Ends of Modernization studies the relations between Nicaragua and the United States in the crucial years during and after the Cold War David Johnson Lee charts the transformation of the ideals of modernization national autonomy and planned development as they gave way to human rights protection neoliberalism and sustainability Using archival material newspapers literature and interviews with historical actors in countries across Latin America the United States and Europe Lee demonstrates how conflict between the United States and Nicaragua shaped larger international development policy and transformed the Cold War In Nicaragua the backlash to modernization took the form of the Sandinista Revolution which ousted President Anastasio Somoza Debayle in July 1979 In the wake of the earlier reconstruction of Managua after the devastating 1972 earthquake and instigated by the revolutionary shift of power in the city the Sandinista Revolution incited radical changes that challenged the frankly ideological and economic motivations of modernization In response to threats to its ideological dominance regionally and globally the United States began to promote new paradigms of development built around human rights entrepreneurial internationalism indigenous rights and sustainable development Lee traces the ways Nicaraguans made their country central to the contest over development ideals beginning in the 1960s transforming how political and economic development were imagined worldwide By illustrating how ideas about ecology and sustainable development became linked to geopolitical conflict during and after the Cold War The Ends of Modernization provides a history of the late Cold War that connects the contest between the two then prevailing superpowers to trends that shape our present globalized multipolar world

Handbook of Central American Governance Diego Sanchez-Ancochea, Salvador Martí i Puig, 2013-12-17 Central America constitutes a fascinating case study of the challenges opportunities and characteristics of the process of transformation in today's global economy Comprised of a politically diverse range of societies this region has long been of interest to students of economic development and political change The Handbook of Central American Governance aims to describe and explain the manifold processes that are taking place in Central America that are altering patterns of social political and economic governance with particular focus on the impact of globalization and democratization Containing

sections on topics such as state and democracy key political and social actors inequality and social policy and international relations in addition to in depth studies on five key countries Costa Rica Nicaragua El Salvador Honduras and Guatemala this text is composed of contributions from some of the leading scholars in the field No other single volume studies the current characteristics of the region from a political economic and social perspective or reviews recent research in such detail As such this handbook is of value to academics students and researchers as well as to policy makers and those with an interest in governance and political processes

Latin American Politics and Development Howard J. Wiarda, Harvey F. Kline, 2011 With comprehensive chapters by recognized experts this classic book now updated throughout provides an authoritative yet accessible introduction to Latin American government and political development

Transitional Justice in Nicaragua 1990-2012 Astrid Bothmann, 2015-07-14 Astrid Bothmann examines historical political and socioeconomic factors that explain the absence of transitional justice in Nicaragua from 1990 to 2012 The author provides the first systematic analysis of the reasons for the lack of transitional justice in Nicaragua after the end of the Sandinista regime and the civil war 1990 Contrary to other Latin American states of the third wave of democratization which put the perpetrators of past crimes on trial established truth commissions purged political and military officials and made reparations to the victims Nicaragua's first post war government opted for a policy of national reconciliation that was based on amnesty and oblivion Subsequent governments followed this course so that the past has not been dealt with until today

Cuba After Thirty Years Richard Gillespie, 2013-10-31 First Published in 1990 This collection of articles has been produced not just to mark the thirtieth anniversary of the Cuban revolution but because the anniversary has fallen at a time of important political developments affecting the Caribbean island

Nicaragua David Close, 1999 Examines the Nicaraguan political system during the period 1990 1996 analyzing the administration of Violeta Chamorro the country's first female president as an example of the democratization of one political system Looks into issues including the Sandinista legacy the new political systems the economy the constitution and property the 1996 elections and Nicaragua's continuing transition

Social Sciences Katherine D. McCann, 2000-12-01 Beginning with volume 41 1979 the University of Texas Press became the publisher of the Handbook of Latin American Studies the most comprehensive annual bibliography in the field Compiled by the Hispanic Division of the Library of Congress and annotated by a corps of more than 130 specialists in various disciplines the Handbook alternates from year to year between social sciences and humanities The Handbook annotates works on Mexico Central America the Caribbean and the Guianas Spanish South America and Brazil as well as materials covering Latin America as a whole Most of the subsections are preceded by introductory essays that serve as biannual evaluations of the literature and research under way in specialized areas The Handbook of Latin American Studies is the oldest continuing reference work in the field Katherine D McCann is acting editor for this volume The subject categories for Volume 57 are as follows

Electronic Resources for the Social Sciences

Anthropology Economics Geography Government and Politics International Relations Sociology **Conflict Prevention and Peace-building in Post-War Societies** T. David Mason, James D. Meernik, 2006-05-02 This volume provides an overview of the costs benefits consequences and prospects for rebuilding nations emerging from violent conflict The rationale for this comes from the growing realization that in the post Cold War era and in the aftermath of 9 11 our understanding of conflict and conflict resolution has to include consideration of the conditions conducive to sustaining the peace in nations torn by civil war or interstate conflict The chapters analyze the prospects for building a sustainable peace from a number of different perspectives examining the role of economic development democratization respect for human rights the potential for renewal of conflict the United Nations and other critical topics In an age when nation building is once again on the international agenda and scholars as well as policy makers realize both the tremendous costs and benefits in fostering developed democratic peaceful and secure nations the time has truly come for a book that integrates all the facets of this important subject Conflict Prevention and Peace building in Post War Societies will appeal to students and scholars of peace studies international relations security studies and conflict resolution as well as policy makers and analysts

Democracy without Parties in Peru Omar Sanchez-Sibony, 2022-06-06 This book provides an in depth look into key political dynamics that obtain in a democracy without parties offering a window into political undercurrents increasingly in evidence throughout the Latin American region where political parties are withering For the past three decades Peru has showcased a political universe populated by amateur politicians and the dominance of personalism as the main party voter linkage form The study peruses the post 2000 evolution of some of the key Peruvian electoral vehicles and classifies the partisan universe as a party non system There are several elements endogenous to personalist electoral vehicles that perpetuate partylessness contributing to the absence of party building The book also examines electoral dynamics in partyless settings centrally shaped by effective electoral supply personal brands contingency and iterated rounds of strategic voting calculi Given the scarcity of information electoral vehicles provide as well as the enormously complex political environment Peruvian citizens inhabit personal brands provide readymade informational shortcuts that simplify the political world The concept of negative legitimacy environments is furnished to capture political settings comprised of supermajorities of floating voters pervasive negative political identities and a generic citizen preference for newcomers and political outsiders Such environments increasingly present throughout Latin America produce several deleterious effects including high political uncertainty incumbency disadvantage and political time compression Peru s democracy without parties fails to deliver essential democratic functions including governability responsiveness horizontal and vertical accountability or democratic representation among others **From Bullets to Ballots** John Ishiyama, 2018-12-07 In recent years an increasing amount of research has argued that the successful transformation of rebel organization into parties is critical to stable post conflict peace and democratization However the process of the transformation of rebel groups into parties is not

well understood Under what conditions do rebel groups transform into parties Or into something else What are the causal mechanisms that lead to the successful transformation of rebel groups into political parties Does the transformation of rebel groups into parties actually contribute to political stability and democratization How does transformation differ from region to region The chapters in this book directly address these questions and include a combination of broader theoretical and empirical chapters coupled with several in depth case studies by some of the most notable scholars in the field It should prove indispensable to students of both civil wars post conflict peace and political parties This book was originally published as a special issue of *Democratization* *Intimate Activism* Cymene Howe, 2013-09-09 *Intimate Activism* tells the story of the Nicaraguan sexual rights activists who helped to overturn the most repressive antisodomy law in the Americas *The New Global Politics* Harry Vanden, Peter Funke, Gary Prevost, 2017-03-16 Over the past decade there has been an unprecedented mobilization of street protests worldwide from the demonstrations that helped bring progressive governments to power in Latin America to the Arab Spring to Occupy movements in the United States and Europe to democracy protests in China This edited volume investigates the current status nature and dynamics of the new politics that characterizes social movements from around the world that are part of this revolutionary wave Spanning case studies from Latin America North and South Africa the Middle East Asia Europe and North America this volume examines the varied manifestations of the current cycle of protest which emerged from the Global South and spread to the North and highlights their interconnections the globalized nature of these social movements Analytically converging around Sidney Tarrow s emphasis on protest cycles political opportunity structures and identity the individual chapters investigate processes such as global framing internationalization diffusion scale shifts externalizations and transnational coalition building to provide an analytic cartography of the current state of social movements as they are simultaneously globalizing while still being embedded in their respective localities Looking at new ways of thinking and new forms of challenging power this comprehensive volume will be of great interest to graduates and scholars in the fields of globalization social movements and international politics **Advancing Electoral Integrity** Pippa Norris, Richard W. Frank, Ferran Martínez i Coma, 2014 This volume collects essays from international experts who evaluate the robustness conceptual validity and reliability of the growing body of evidence of voter fraud and electoral misconduct around the world in developed and developing democracies The essays compare alternative approaches and apply these methods to evaluate the quality of elections in several areas including in the United States Sub Saharan Africa and Latin America

Right here, we have countless ebook **Latin American Politics David Close** and collections to check out. We additionally meet the expense of variant types and with type of the books to browse. The adequate book, fiction, history, novel, scientific research, as capably as various additional sorts of books are readily straightforward here.

Latin American Politics David Close Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Latin American Politics David Close PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that

while accessing free Latin American Politics David Close PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Latin American Politics David Close free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Latin American Politics David Close Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Latin American Politics David Close is one of the best book in our library for free trial. We provide copy of Latin American Politics David Close in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Latin American Politics David Close. Where to download Latin American Politics David Close online for free? Are you looking for Latin American Politics David Close PDF? This is definitely going to save you time and cash in something you should think about.
