Latin American Literature And The Mass Media Hispanic Issues:

Latin American Literature and Mass Media Edmundo Paz Soldán, Debra A. Castillo, 2001 This volume examines Latin American literature in the context of a complimentary audiovisual culture dominated by mass media such as photography film and the Internet The articles gathered here all of them published for the first time critically assess Latin American media theories Garcia Canclini et al pointing out their strengths and shortcomings show how literary works have been able to sustain their visibility in a highly competitive media ecology accommodating to pop and mass culture while at the same time reaffirming the authority of the literary intellectual Overall the book's foregrounding of the impact of mass media on Latin American literature opens the critical debate on an increasingly essential subject

The Cinematic Novel and Postmodern Pop Fiction Décio Torres Cruz, 2019-12-05 Décio Torres Cruz approaches connections between literature and cinema partly through issues of gender and identity and partly through issues of reality and representation In doing so he looks at the various ways in which people have thought of the so called cinematic novel tracing the development of that genre concept not only in the French cinema and film scenarios but also in novels from the United States England France and Latin America The main tendency he identifies is the blending of the cinematic novel with pop literature through allusions to Pop Art and other postmodern cultural trends His prime exhibits are a number of novels by the Argentinian writer Manuel Puig Betrayed by Rita Hayworth Heartbreak Tango The Buenos Aires Affair Kiss of the Spider Woman and Pubis angelical Bringing in suggestive sociocultural and psychoanalytical considerations Cruz shows how in Puig's hands the cinematic novel resulted in a pop collage of different texts films discourses and narrative devices which fused reality and imagination into dream and desire

Latin America Writes Back Emil Volek, 2013-10-28 Latin America has been an important basis for theorizing the postmodern condition and has been the site of some of the most significant contributions to postmodern literature However discourses about postmodernity have overwhelmingly been constructed by European and American intellectuals This book is a groundbreaking collection of essays by Latin American scholars on the theories and practices of postmodernity It provides

an important forum for Latin American intellectuals to shape the debates on postmodernity that are based to a large degree on their own cultural and political experiences Gathering together new and classic essays across a wide range of disciplines and perspectives this much needed collection allows some of Latin America's leading cultural critics to write back to their Euro American counterparts and join the international debate

The Art of Ana Clavel Jane Elizabeth Lavery, 2017-07-05

Ana Clavel is a remarkable contemporary Mexican writer whose literary and multimedia oeuvre is marked by its queerness The queer is evinced in the manner in which she disturbs conceptions of the normal not only by representing outlaw sexualities and dark desires but also by incorporating into her fictive and multimedia worlds that which is at odds with normalcy as evinced in the presence of the fantastical the shadow ghosts cyborgs golems and even urinals Clavel's literary trajectory follows a queer path in the sense that she has moved from singular modes of creative expression in the form of literary writing a traditional print medium towards other non literary forms Some of Clavel's works have formed the basis of wider multimedia projects involving collaboration with various artists photographers performers and IT experts Her works embrace an array of hybrid forms including the audiovisual internet enabled technology art installation video performance and photography By foregrounding the queer heterogeneous narrative themes techniques and multimedia dimension of Clavel's oeuvre the aim of this monograph is to attest to her particular contribution to Hispanic letters which arguably is as significant as that of more established Spanish American boom *femenino* women writers
