Timelines of American Literature Cody Marrs, Christopher Hager, 2019-01-29 A collection of engaging essays that seeks to uniquely reperiodize American literature It is all but inevitable for literary history to be divided into periods Early American antebellum modern post 1945 such designations organize our knowledge of the past and shape the ways we discuss that past today These periods tend to align with the watershed moments in American history even as the field has shifted its perspective away from the nation state It is high time we rethink these defining periods of American literary history as the drawing of literary timelines is a necessary even illuminating practice In these short spirited and imaginative essays 23 leading Americanists gamely fashion new unorthodox literary periods from 600 B C E to the present from the Age of Van Buren to the Age of Microeconomics They bring to light literary and cultural histories that have been obscured by traditional timelines and raise provocative questions What is our definition of modernism if we imagine it stretching from 1865 to 1965 instead of 1890 to 1945 How does the captivity narrative change when we consider it as a contemporary not just a colonial genre What does the course of American literature look like set against the backdrop of federal denials of Native sovereignty or housing policies that exacerbated segregation Filled with challenges to scholars inspirations for teachers anchored by an appendix of syllabi and entry points for students Timelines of American Literature gathers some of the most exciting new work in the field to showcase the revelatory potential of fresh thinking about how we

organize the literary past *Teaching the Canon in 21st Century Classrooms* Michael Macaluso, Kati Macaluso, 2018-11-01

The canon as much an ideology as it is a body of texts perceived to be intrinsic to the high school English classroom has come under scrutiny for maintaining status quo narratives about whiteness masculinity heterosexuality ability and even those associated with American ideals of self reliance the good life and the self made man Teaching practices around these texts may also reinforce harmful practices and ways of thinking including those connected to notions of culture literary merit and methods of reading teaching and learning Teaching the Canon in 21st Century Classrooms offers innovative critical ways of reading thinking about and teaching canonical texts in 21st century classrooms Responding to the increasingly pluralized digitized global 21st century English classroom chapter authors make explicit the ideologies of a canonical text of focus while also elaborating a pedagogical approach that de centers the canon bridges past and present applies critical theory and celebrates the rich identities of 21st century readers In using this book teachers will be especially poised to take on the canon in their classroom and thus to open up their curricula to ideas values concerns and narratives beyond those embedded in the canonical texts *Historical Dictionary of U.S. Latino Literature* Francisco A. Lomelí, Donaldo W. Urioste, María Joaquina Villaseñor, 2016-12-27 U S Latino Literature is defined as Latino literature within the United States that embraces the heterogeneous inter groupings of Latinos For too long U S Latino literature has not been thought of as an integral part of the overall shared American literary landscape but that is slowly changing This dictionary aims to rectify some of those misconceptions by proving that Latinos do fundamentally express American issues concerns and perspectives with a flair in linguistic cadences familial themes distinct world views and cross cultural voices The Historical Dictionary of U S Latino Literature contains a chronology an introduction and an extensive bibliography The dictionary section has cross referenced entries on U S Latino authors and terms relevant to the nature of U S Latino literature in order to illustrate and corroborate its foundational bearings within the overall American literary experience This book is an excellent access point for students researchers and anyone wanting to know more about this subject *Latinx Studies* Frederick Aldama, Christopher González, 2018-12-07 Latinx Studies The Key Concepts is an accessible guide to the central concepts and issues that inform Latinx Studies globally It summarizes explains contextualizes and assesses key critical concepts perspectives developments and debates in Latinx Studies At once comprehensive in coverage and detailed and specific in examples analyzed it provides over 25 key concepts to the field of Latinx Studies as shaped within historical social cultural regional and global contexts including Body Border Theory Digital Era Familia Immigration Intersectionality Language Latinidad es Latinofuturism Narco Cultura Popular Culture Sports Fully cross referenced and complete with suggestions for further reading Latinx Studies The Key Concepts is an essential guide for anyone studying race ethnicity gender class education culture and globalism **Aquí and Allá** Camilla Stevens, 2019-10-22 Aqu and All Transnational Dominican Theater and Performance explores how contemporary Dominican theater and performance artists portray a sense of collective belonging shaped by the transnational

connections between the homeland and the diaspora Through close readings of plays and performances produced in the Dominican Republic and the United States in dialogue with theories of theater and performance migration theory and literary cultural and historical studies this book situates theater and performance in debates on Dominican history and culture and the impact of migration on the changing character of national identity from end of the twentieth century to the present By addressing local audiences of island based and diasporic Dominicans with stories of characters who are shaped by both places the theatrical performances analyzed in this book operate as a democratizing force on conceptions of Dominican identity and challenge assumptions about citizenship and national belonging Likewise the artists bi national perspectives and work methods challenge the paradigms that have traditionally framed Latin o American theater studies The Dictator Novel Magalí Armillas-Tiseyra, 2019-07-15 Where there are dictators there are novels about dictators But dictator novels do not simply respond to the reality of dictatorship As this genre has developed and cohered it has acquired a self generating force distinct from its historical referents The dictator novel has become a space in which writers consider the difficulties of national consolidation explore the role of external and global forces in sustaining dictatorship and even interrogate the political functions of writing itself Literary representations of the dictator therefore provide ground for a self conscious and self critical theorization of the relationship between writing and politics itself The Dictator Novel positions novels about dictators as a vital genre in the literatures of the Global South Primarily identified with Latin America the dictator novel also has underacknowledged importance in the postcolonial literatures of francophone and anglophone Africa Although scholars have noted similarities this book is the first extensive comparative analysis of these traditions it includes discussions of authors including Gabriel Garc a M rquez Ng g wa Thiong o Alejo Carpentier Augusto Roa Bastos Domingo Faustino Sarmiento Jos M rmol Esteban Echeverr a Ousmane Semb ne Chinua Achebe Aminata Sow Fall Henri Lop s Sony Labou Tansi and Ahmadou Kourouma This juxtaposition illuminates the internal dynamics of the dictator novel as a literary genre In so doing Armillas Tiseyra puts forward a comparative model relevant to scholars working across the Global South *Keywords for Latina/o Studies* Deborah R. Vargas, Lawrence La Fountain-Stokes, Nancy Raquel Mirabal, 2017-12-01 2018 Outstanding Academic Title given by CHOICE Magazine Introduces key terms concepts debates and histories for Latinx Studies *Keywords for Latina o Studies* is a generative text that enhances the ongoing dialogue within a rapidly growing and changing field The keywords included in this collection represent established and emergent terms categories and concepts that undergird Latina o studies they delineate the shifting contours of a field best thought of as an intellectual imaginary and experiential project of social and cultural identities within the US academy Bringing together 63 essays from humanists historians anthropologists sociologists among others each focused on a single term the volume reveals the broad range of the field while also illuminating the tensions and contestations surrounding issues of language politics and histories of colonization specific to this area of study From borderlands to migration from citizenship to mestizaje this accessible volume will be

dynamic exploration of the subject of teaching gender and feminism through the fundamental corpus encompassing Latin American Iberian and Latino authors and cultures from the Middle Ages to the 21st century The four editors have created a collaborative forum for both experienced and new voices to share multiple theoretical and practical approaches to the topic The volume is the first to bring so many areas of study and perspectives together and will serve as a tool for reassessing what it means to teach gender in our fields while providing theoretical and concrete examples of pedagogical strategies case studies relating to in class experiences and suggestions for approaching gender issues that readers can experiment with in their own classrooms The book will engage students and educators around the topic of gender within the fields of Latin American Latino and Iberian studies Gender and Women s studies Cultural Studies English Education Comparative Literature Ethnic studies and Language and Culture for Specific Purposes within Higher Education programs Teaching Gender through Latin American Latino and Iberian Texts and Cultures makes a compelling case for the central role of feminist inquiry in higher education today Startlingly honest and deeply informed the essays lead us through classroom experiences in a wide variety of institutional and disciplinary settings Read together these essays articulate a vision for twenty first century feminist pedagogies that embrace a rich diversity of theory methodology and modality Lisa Vollendorf Professor of Spanish and Dean of Humanities and the Arts San Jos State University Author of The Lives of Women A New History of Inquisitional Spain What is it like to teach feminism and gender through Latin American Iberian and Latino texts This rich collection of texts provides a series of insightful and exhaustive answers to this question An essential book for teachers of Latin American Iberian and Latino a texts this volume will also spark new debates among scholars in Gender Studies M nica Szurmuk Researcher at the National Scientific and Technical Research Council of Argentina Author of Mujeres en viaje and co editor of the Cambridge History of Latin American Women s Literature Special Religious Education in Australia and its Value to Contemporary Society Zehavit Gross,Suzanne D. Rutland,2021-02-22 This book explores the advantages of and challenges concerning Special Religious Education SRE in multicultural Australia and argues for the need for General Religious Education GRE as well Through the lens of the most recent scholarship and drawing on an in depth qualitative study and specific case studies the book examines the current debate on the role of religious education within government schools It addresses key concepts of values education spirituality health and wellbeing and cultural and religious identity It analyses why it is important to retain SRE together with GRE as government policy It explores highly relevant controversial and contested issues regarding SRE including the 30% of Australia s population who declare themselves as having no religion and brings fresh insights to the table While secularization has increased in both the national and international spheres there has also been an increase in fundamentalism within religious beliefs Events such as the September 11 terror attacks and the more recent mass shootings by white supremacists and eco fascists in Christchurch New Zealand and Pittsburgh and San Diego in the USA are reminders that religion is still a major actor in the twenty first

century This poses new challenges for the relationship between church and state and demonstrates the need to revisit the role of religious education within government schools While the importance of GRE is generally acknowledged SRE has increasingly come under attack by some researchers and teacher and parent bodies as being inappropriate and contradictory to the values of the postmodern world On the other hand the key stakeholders from all the faith traditions in Australia wish to retain the SRE classes in government schools The book addresses this burning issue and shows that it is relevant not only for Australia but also globally
