Kaiser,2020-05-24 Hovawart Training Dog Training for your Hovawart puppy The training of dogs is often confused with classical dog training drills only considered necessary for demanding dogs mocked by other dog owners replaced by anti authoritarian methods considered too difficult to achieve without experience What constitutes dog training and what is it good for And how can you and your Hovawart profit from it without having any experience The most important thing is to understand how a dog sees his world what is normal for him and how you can use this to your advantage In addition the characteristics of each breed are significant when you get beyond the basic training phase Your Hovawart will show characteristics which are different to those of a Chihuahua for example and this is predominantly what you need to consider during training This book is vol 1 of the Hovawart training books Vol 2 for your grown up Hovawart is also available with the title Hovawart Training Vol 2 Dog Training for your grown up Hovawart Author Claudia Kaiser says about her book It was my desire to let other dog owners profit from the knowledge I have gained over many years and after making many mistakes I love my dog and know how important it is to adapt the training to suit each breed It is exactly this desire that prompted me
