Predestination Is to Glory Not to Faith Wayne ODonnell, 2020-04-20 All my books can be read online for free at wayneodonnell.com Mt 10:8 Freely you have received freely give The Bible says we're predestined to glory but it doesn't say we're predestined to faith as Calvinism teaches The differences between the language of the Bible and the language of Calvinism indicate the doctrinal errors of Calvinism All Reformed theologians teach predestination to faith which includes faith in a sequence the Bible doesn't include it in The Golden Chain of Romans 8:28-30 includes 1 foreknowledge 2 predestination 3 calling 4 justification and 5 glorification Paul intentionally omits faith from this sequence because predestination is to glorification and sanctification not to faith Paying attention to this detail alters Calvinism's TULIP T Total Depravity doesn't include an inability to believe the gospel Election is not U Unconditional since God elects all whom he has known forever in the eternal Messiah who entered into union with him through justification by unpredestined faith I Irresistible Grace is after justification for sanctification and glorification L Limited Atonement is unbiblical And P Perseverance of the Saints is confirmed in the strongest possible way to the extent it's synonymous with eternal security and the certainty of glorification Most other anti-Calvinist books deal heavily with the moral and philosophical travesties of Calvinism For example I highly recommend What Love Is This by Dave Hunt But this book tries to provide better expositions of the passages that lead good godly men to accept Calvinism in the first place like Romans 8 Romans 9 John 6 and Ephesians 1 by paying attention to the small underappreciated detail that the Bible says predestination is to sanctification and glory not to faith If I felt this task was already accomplished I wouldn't have written this book but would have promoted the books that already did it White Calvinist There is no meaningful non-Reformed exegesis of John 6:37-45 available As numerous as the attempts of Arminian exegetes to find some way around the testimony of these verses has
