How Firm a Foundation? Timothy R. Cunningham, 2013-03-28 This book helps Christian voters and politicians think through two perennial questions Are we required to apply the judicial laws of the Old Testament to our present day political contexts And if we are required to obey these laws how shall we do so Against the historic Protestant consensus that posits Christians as bound to advocate and apply only the moral principles underlying these laws Christian Reconstructionists have recently argued that obedience to and promotion of all divinely unamended Mosaic civil laws remains the Christian s new covenant duty After testing the most thorough statement of the Reconstructionist view as presented by the late Greg Bahnsen in his *Theonomy in Christian Ethics* against Scripture and the Westminster Confession *How Firm a Foundation* demonstrates that the Reconstructionist ethical perspective is unbiblical unconfessional and ultimately unhelpful while the historic Protestant position expressed in the Westminster Confession of Faith remains the biblical and useful perspective Christians need to guide contemporary uses of the Mosaic judicial laws

[How Firm a Foundation](#) Hal Harless, 2004 Do covenants or dispensations structure the biblical revelation The historic conflict between Covenant and Dispensational theology has resulted in a neglect of biblical covenants in Dispensationalism As a corrective this book offers a variant of Dispensationalism designated *Covenantal Dispensationalism* Analyzing both ancient Near Eastern and biblical covenants this work clearly demonstrates that the character of each dispensation is the sum of the stipulations of the operative covenants Therefore this book concludes that covenants structure the biblical revelation and that resulting structure is Dispensationalism

How Firm a Foundation Robert J. Pacienza, 2023-05-10 How Firm a Foundation has long been a popular hymn especially in the North American church Charles Hodge the great Princeton theologian was so overwhelmed by the fourth verse that he could only gesture the words It speaks of the unshakeable nature of our faith in Jesus Christ In an increasingly secular age the Church needs to be reminded of this sure foundation The truths surveyed in this book are not exhaustive of the Christian faith but certainly foundational My goal is not only to provide scriptural support for our beliefs but also to show the uniqueness of Christianity and the countercultural nature of the biblical worldview Living in a society hostile to Christ should not cause us to fear but instead cause us to respond with a humble confidence knowing that the truth will always prevail May God embolden us to live out a faith that will not be swept away by the cultural winds This will not be done according to our power but according to the same power that raised Jesus from the dead My prayer is that you will be encouraged to build your life on the one thing that is immovable the infallible Word of God It is our only Firm Foundation
