I Walked from Land's End to John O'Groats Krister Andrén, 1998 Braver Than You Think Claire

Davies, 2025-09-17 A powerful account of a journey that proves This Girl Can A yearning for space and silence for air in the lungs for purpose the simplicity of a defined mission had banished doubt and fear and driven me to climb on my bike And as I pedalled up the country venturing far beyond my comfort zone in every sense I found within me untapped reserves of determination singlemindedness and pure joy that spurred me on further I saw the truth in the saying that you only know what you re capable of when you re pushed beyond your limits Are you braver than you think That s the question Claire Davies began asking herself as she cycled from Land s End to John O Groats ill prepared unsupported and alone At a mid life low point craving space and time to think or not to think Claire decided that a long bicycle ride was what she needed Setting off for Scotland just a few weeks later on a bike named Trixie guided by a gadget called Guillaume she had little idea what she was letting herself in for It turned out to be a journey not only to better physical fitness and mental health but also to empowerment and self discovery partly through the eyes of the people she met along the way One one level this book is a travelogue a day by day account of an iconic British journey to be enjoyed as much by those with real aspirations of cycling from Land s End to John O Groats as by armchair cycle tourers But the challenges Claire faced on the ride and her personal reflections from the saddle will also serve as inspiration for anyone who needs coaxing out of the their comfort zone or is simply seeking a spot of vicarious adventure
