

The background of the entire image is a lush garden filled with various types of ornamental grasses in shades of green. In the center, there is a rectangular inset with a gold border. This inset contains the title and a photograph of a garden path. The path is made of flat, irregular stones and winds through a garden. On the left side of the path, there are large, feathery purple flowers and a large, rounded, light-colored rock. On the right side, there are more green grasses and some small yellow flowers. The overall scene is vibrant and detailed.
