would become the end of me What s the meaning of the words she unconsciously spews off Nothing I m just happy that you didn t slip away when my eyes were closed The light scar on her stomach is barely visible I wonder what secrets it holds Sometimes her eyes would wander off on their own into the empty void as if it was searching for something Something That even the most powerful person can t hold it The straight down to work and cold hearted woman who seems not to care about anyone or anything is the perfect reincarnation of Satan But this Satan is the one whom my eyes love to imprint the time it opens and closes at night The truth that she fights and the truth I wait come to life when the curtains of her past play once again on the stage **Sea of Strangers** Lang Leav,2018 Sea of Strangers by Lang Leav picks up from her previous
