Beeman, 1986-10-22 excellent example significant contribution an important interdisciplinary work Middle East Journal an important contribution to aspects of Iranian social communication and interpersonal verbal behavior Language By showing the reader the intricacies of face to face sociolinguistic interaction William Beeman provides a key to understanding Iranian social and political life Beeman's study in cross cultural linguistics will clearly be a model for the study of different languages and cultures

The Sociolinguistics of Iran's Languages at Home and Abroad Seyed Hadi Mirvahedi, 2019-06-29 This book examines the sociolinguistics of some of Iran's languages at home and in the diaspora The first part of the book examines the politics of minority languages and the presence of hegemonic discourses which favour Persian Farsi in Iran exploring issues such as language maintenance and shift linguistic ideologies and practices among Azerbaijani and Kurdish speaking communities The authors then go on to examine Iranians linguistic ideologies practices and trans national identity construction in the diaspora investigating both the challenges of maintaining a home language and the strategies and linguistic repertoires employed when constructing a diasporic identity away from home This book will be of interest to students and scholars of minority languages and communities diaspora and migration studies and language policy and planning

Power, Islam, and Political Elite in Iran Eva Raket, 2008-11-30 The Iranian Islamic revolution brought about a political system based on a combination of state institutions that derive their legitimacy from Islamic law and republican institutions legitimized by the people As there are no legal political parties in the Islamic Republic of Iran political factions represent the varying ideological and material interests of members of the political elite and their supporters This book analyzes the rivalries between the political factions and their related state institutions and the impact of the dynamics of factionalism on domestic economic and socio cultural and foreign policy formulation It shows that tensions inherent to the structure of state institutions and factional rivalries slow down the process of democratization and economic reforms in the Islamic Republic of Iran

Trends in Iranian and Persian Linguistics Alireza Korangy, Corey Miller, 2018-01-22 This set of essays highlights the state of the art in the linguistics of Iranian languages The contributions span the full range of linguistic inquiry including pragmatics syntax semantics phonology phonetics lexicography historical linguistics and poetics and covering a wide set of Iranian languages including Persian Balochi Kurdish and Ossetian This book will engage both the active scholar in the field as well as linguists from other fields seeking to assess the latest developments in Iranian linguistics

The Iranian Languages Gernot Windfuhr, 2013-05-13 The Iranian languages form the major eastern branch of the Indo European group of languages itself part of the larger Indo Iranian family Estimated to have between 150 and 200 million native speakers the Iranian languages constitute one of the world's major language families This comprehensive volume offers a detailed overview of the principle languages which make up this group Old Iranian Middle Iranian and New Iranian The Iranian Languages is divided into fifteen chapters The

introductory chapters by the editor present a general overview and a detailed discussion of the linguistic typology of Iranian. The individual chapters which follow are written by leading experts in the field. These provide the reader with concise non-technical descriptions of a range of Iranian languages. Each chapter follows the same pattern and sequence of topics taking the reader through the significant features not only of phonology and morphology but also of syntax from phrase level to complex sentences and pragmatics. Ample examples on all levels are provided with detailed annotation for the non-specialist reader. In addition each chapter covers lexis, sociolinguistic and typological issues and concludes with annotated sample texts. This unique resource is the ideal companion for undergraduate and postgraduate students of linguistics and language. It will also be of interest to researchers or anyone with an interest in historical linguistics, linguistics, anthropology and language development. Gernot Windfuhr is Professor of Iranian Studies at the University of Michigan; he has published widely on Persian and Iranian languages and linguistics and related languages as well as on other aspects of Iranian culture including Persian literature and Pre-Islamic Iranian religions.

The Routledge Handbook of Sociolinguistics Around the World
 Martin J. Ball, 2009-12-16. Drawing on examples from a wide range of languages and social settings, *The Routledge Handbook of Sociolinguistics Around the World* is the first single volume collection surveying current and recent research trends in international sociolinguistics. With over 30 chapters written by leading authorities in the region concerned, all continents and their respective regions are covered. The book will serve as an important tool to help widen the perspective on sociolinguistics to readers of English. Divided into sections covering The Americas, Asia, Australasia, Africa and the Middle East and Europe, the book provides readers with a solid up-to-date appreciation of the interdisciplinary nature of the field of sociolinguistics in each area. It clearly explains the patterns and systematicity that underlie language variation in use as well as the ways in which alternations between different language varieties mark personal style, social power and national identity. *The Routledge Handbook of Sociolinguistics around the World* is the ideal resource for all students on undergraduate sociolinguistics courses and researchers involved in the study of language, society and power.

The Oxford Handbook of Persian Linguistics
 Anousha Sedighi, Pounesh Shabani-Jadidi, 2018-08-02. This handbook offers a comprehensive overview of the field of Persian linguistics, discusses its development and captures critical accounts of cutting-edge research within its major subfields as well as outlining current debates and suggesting productive lines of future research. Leading scholars in the major subfields of Persian linguistics examine a range of topics split into six thematic parts. Following a detailed introduction from the editors, the volume begins by placing Persian in its historical and typological context in Part I. Chapters in Part II examine topics relating to phonetics and phonology while Part III looks at approaches to and features of Persian syntax. The fourth part of the volume explores morphology and lexicography as well as the work of the Academy of Persian Language and Literature. Part V, language and people, covers topics such as language contact and teaching Persian as a foreign language while the final part examines

psycho neuro and computational linguistics The volume will be an essential resource for all scholars with an interest in Persian language and linguistics **Persian Linguistics in Cultural Contexts** Alireza Korangy, Farzad

Sharifian, 2020-10-29 Korangy and Sharifian's groundbreaking book offers the first in depth study into cultural linguistics for the Persian language The book highlights a multitude of angles through which the intricacies of Persian and its many dialects and accents wherever spoken can be examined Linguistics with cultural studies as its backdrop is not a new phenomenon however with this text we are afforded an insight into the complex relationship that exists between human cognizance and human expression in this ancient civilization This study helps develop an innovative understanding of history intent and meaning as understood by a culture and by a people in this case the Persian speaking folk of Iran The chapters are insightful resources for analyzing and augmenting our knowledge of linguistics under the rubric of Persian culture but also for proposing and foregrounding new ideas in this field of study **Contending with Globalization in World Englishes**

Mukul Saxena, Tope Omoniyi, 2010-05-28 This book engages with English in globalization re-examining and re-interpreting the contemporary contexts of its acquisition and use The chapters contained in this book weave together four inter-related themes that define the role of English in the global context the centrality of structure relationships of interdependence social constructions of difference and reproduction of inequality These themes enable the authors to draw attention to the dynamics of the contemporary realities of the English speaking and English using nations especially as they compete for cultural social economic and symbolic capital in global networks In engaging World Englishes with the sociolinguistics of globalization the authors raise some fundamental questions about the status structure and functions of World Englishes **Iranian**

Hospitality, Afghan Marginality Elisabeth Yarbakhsh, 2021-02-11 In Iranian Hospitality Afghan Marginality Elisabeth Yarbakhsh unpacks ideas around culture identity and the relationship between Iranian citizens and Afghan refugees living in Shiraz Iran and surrounding areas Yarbakhsh highlights the ways in which shifting policies and practices toward refugees over the past forty years have run parallel to the transitive notions of what it means to be Iranian Yarbakhsh exposes the complex interplay of identity and hospitality as it emerges out of variously competing and intersecting Islamic historical and literary narratives of Iranian identity carefully illustrating how these factors circumscribe Afghan refugee life in the city of Shiraz **Making Sense of Iranian Society, Culture, and Business** K.H. Yeganeh, 2015-08-10 Iran represents a large

and emerging economy with a strategic location extending from the Persian Gulf to Central Asia a huge consumer market tremendous natural resources and numerous petrochemical and manufacturing industries which require heavy investment and development Understanding the Iranian business environment requires a holistic approach because in Iran society culture religion economy politics and family are intimately intertwined Therefore this book adopts a broad scope and relies on a wide range of academic and professional resources to bring insights into the Iranian context The author bridges theory and practice by offering a reasonable blend of academic perspective and practical expertise He offers an analytical readable

comprehensive and impartial account This book is a valuable reference for business managers investors analysts policy makers scholars students expatriates travelers and all those who are concerned with the Iranian affairs Iran Revisited Ali Pirzadeh,2016-04-20 This book examines Modern Iran through an interdisciplinary analysis of its cultural norms history and institutional environment The goal is to underline strengths and weaknesses of Iranian society as a whole and to illustrate less prescriptive explanations for the way Iran is seen through a lens of persistent collective conduct rather than erratic historical occurrences Throughout its history Iran has been subject to many studies all of which have diagnosed the country's problem and prescribed solutions based on certain theoretical grounds This book intends to look inward seeking cultural explanations for Iran's perpetual inability to improve its society The theme in this book is based on the eloquent words of Nasir Khusrau a great Iranian poet *az mast ki bar mast* The words are from a poem describing a self adoring eagle that sees its life abruptly ended by an arrow winged with its own feathers the bird is doomed by its own vanity The closest interpretation of this idiom in Western Christian culture is you reap what you sow which conveys a similar message that underlines one's responsibility in the sense that sooner or later we must face the choices we make This would enable us to confront and live up to what Iran's history and culture have taught us

The World of Obituaries Mushira Eid,2002 This unusual book the world of obituaries looks at obituaries as a rich source of information on cultural representation of gender It examines obituaries published from 1938 to 1998 in three cultures Egypt Iran and the United States to analyze how women and men are represented in their death notices and how these representations have changed over time It also shows how obituaries viewed as texts at times converge within but often diverge from expected norms Mushira Eid has applied quantitative and qualitative analytical techniques to 4 400 obituaries using names titles and occupations as linguistic symbols of identity Data were collected for a month at ten year intervals to measure change From them she demonstrates differences within the world of obituaries relates this world to the world at large and constructs a model based on this comparison Resulting facts are placed within the context of women's movements in the three cultures and other sociocultural and political events that influenced the perception of gender roles The World of Obituaries offers a unique synthesis of information on women and public space in three cultures It opens a new window on gender

The Influence of Language on Culture and Thought Robert L. Cooper, Bernard J. Spolsky,2019-06-04 No detailed description available for The Influence of Language on Culture and Thought

Gender, Genre, and Power in South Asian Expressive Traditions Arjun Appadurai, Frank J. Korom, Margaret A. Mills,2015-12-21 The authors cross the boundaries between anthropology folklore and history to cast new light on the relation between songs and stories reality and realism and rhythm and rhetoric in the expressive traditions of South Asia

Language and Social Relations Asif Agha,2007 Provides a way of accounting for the relationship between language and a variety of social phenomena Power, Legitimacy and the Public Sphere Amin Isaloo,2017-04-28 A ground breaking study of political transformations in non Western societies this book applies

anthropological sociological and political concepts to the recent history of Iran to explore the role played by a ritual theatrical performance Ta ziyeh and its symbols on the construction of public mobilisations With particular attention to three formative phases the 1978 79 Islamic Revolution the 1980 88 Iran Iraq War and the 2009 Green Movement the author concentrates on the relations between symbols of the ritual performance and the public sphere to shed light on the ways in which the symbols of Ta ziyeh were used to claim political legitimacy Thus the book elucidates how symbols and images of a ritual performance can be utilised by tricksters such as political actors and fanatical religious leaders to take advantage of the prolongation of a state of transition within a society and so manipulate the public in order to mobilise crowds and movements to fulfil their own interests and concerns An insightful analysis of political mobilisation explained in terms of a set of interrelated master concepts such as liminality trickster and schismogenesis Power Legitimacy and the Public Sphere integrates theoretical empirical and diagnostic perspectives in order to investigate and illustrate links between the public sphere and religious and cultural rituals As such it will appeal to scholars of sociology politics and anthropology with interests in social theory public mobilisations and political transformation

Language Policy and Language Conflict in Afghanistan and Its Neighbors Harold Schiffman, 2011-12-09 The book was co edited by Brian Spooner Professor of Anthropology at the University of Pennsylvania Language policy in Central Asia Afghanistan and the immediately surrounding neighboring countries has a long and varied history The Iranian revolution of 1978 the collapse of the Soviet Union in 1991 and the ongoing conflict in Afghanistan since 2001 have left the area in a state of flux This volume gives a better picture about what is official and explicit what is not official but implicit or general practice and what the likely future developments might be It is very clear that multilingualism whether it involves Persian Russian or English in addition to other languages not only has long been a part of the scene but will probably continue to be so

The Iran Agenda Today Reese Erlich, 2018-09-18 Based on frequent first hand reporting in Iran and the United States The Iran Agenda Today explores the turbulent recent history between the two countries and reveals how it has led to a misguided showdown over nuclear technology Foreign correspondent Reese Erlich notes that all the major U S intelligence agencies agree Iran has not had a nuclear weapons program since at least 2003 He explores why Washington nonetheless continues with saber rattling and provides a detailed critique of mainstream media coverage of Iran The book further details the popular protests that have rocked Tehran despite repression by the country s Deep State In addition to covering the political story Erlich offers insights on Iran s domestic politics popular culture and diverse populations over this recent era His analysis draws on past interviews with high ranking Iranian officials the former shah s son Reza Pahlavi and Iranian exiles in Los Angeles as well as the memory of his trip to Tehran with actor Sean Penn Written in skillful and riveting journalistic prose The Iran Agenda Today provides inside information that academic researchers find hard to obtain

Conceptualizing Iranian Anthropology Shahnaz R. Nadjmabadi, 2010-01-01 During recent years attempts have been made to move beyond the

Eurocentric perspective that characterized the social sciences especially anthropology for over 150 years A debate on the anthropology of anthropology was needed one that would consider other forms of knowledge modalities of writing and political and intellectual practices This volume undertakes that challenge it is the result of discussions held at the first organized encounter between Iranian American and European anthropologists since the Iranian Revolution of 1979 It is considered an important first step in overcoming the dichotomy between peripheral anthropologies versus central anthropologies The contributors examine from a critical perspective the historical cultural and political field in which anthropological research emerged in Iran at the beginning of the twentieth century and in which it continues to develop today
