whom had gang affiliations Over time the feud engulfed families and soon grew into a sustained clash between African American and Latino gangs Eventually victims fell who were not members of opposing gangs but who fit certain racial and gender profiles The conflict began to take on the attributes of what one local newspaper sensationalized as a race war Karen Umemoto lived nearby during this conflict and undertook two years of ethnographic research during and immediately following the spate of killings She now offers a nuanced analysis of the trajectory and eventual end of this acute crisis Her interviews with gang members neighborhood residents business leaders police officers and gang intervention workers reveal the complexity of contemporary American urban conflict The Truce highlights the differences in interpretations among combatants witnesses and law enforcement agents and others whose actions often had unintended consequences Drawing on her experience living in multicultural Los Angeles and on the latest scholarship in a wide variety of disciplines Umemoto provides much needed guidance for policymakers and concerned members of the public faced with violence in an ever changing urban landscape

Race, Police, and the Making of a Political Identity Edward J. Escobar, 1999-09 This book offers a fascinating examination of the historically volatile relationship between the Mexican American community and the Los Angeles Police Department Within the vibrant backdrop of Los Angeles Escobar probes and interprets the roots of cultural misperception and social paranoia which culminated in the infamous Zoot Suit Riots

Stress Inside Police Departments Jon Shane, 2019-12-06 This book offers researchers police practitioners and policymakers a platform for organizational reform and an understanding of how the police organization creates stress which contributes to reduced officer performance This book based on an in depth study exploring the relationship between perceived organizational stressors and police performance indicates which features of the police organization generate the most stress affecting performance and provides a model of organizational stress that applies to police agencies While much stress research portrays the operation of policing as the greatest source of contention among officers this research shows the ever present rigid hierarchical design of the police agency to be contributing factor of stress that affects performance Ideal for scholars police personnel and policymakers who are interested in how the police organization contributes to lower officer performance this book has implications for policing agencies in the United States and worldwide

The Police Manager Egan K. Green, Ronald G. Lynch, Scott R. Lynch, 2024-01-22 The Police Manager provides a roadmap for the challenges that police administrators face in their day to day duties including considerations for dealing with subordinate officers and for interacting with the public Covering a wide range of topics from fiscal management to use of force policies this text prepares readers for the tasks that police managers are confronted with Readers benefit by gaining a thorough understanding of the complexities involved in an occupation that creates demands from the public from public officials and from other police officers The book delivers information on these issues with chapters dedicated to leadership styles and planning for leadership loss as well civil liability considerations New material in this edition covers specific challenges for small and

underexamined police agencies such as university police departments The Police Manager is an ideal textbook for college students hoping to work in police administration in the future and is useful for current police managers who know that their jobs require a constant influx of ideas for overcoming new challenges

The New World of Police Accountability Samuel E. Walker, Carol A. Archbold, 2018-12-12 This book gives a brief yet thorough summary of the main components of police accountability in the 21st century What works what doesn't and where are we going in the future I love to use it with my undergraduate students to help them understand the complexities of policing in the modern era Janne E.
