The Proposed Nordic Saami Convention Nigel Bankes, Timo Koivurova, 2013-01-31 In 2005 an expert group representing the governments of Norway Sweden and Finland and the Saami parliaments of these countries agreed upon a draft text of a Nordic Saami Convention Key parts of the text deal with the recognition of Saami land and resource rights More recently the three governments have embarked on negotiations to move from this draft text to a final convention that may be adopted and ratified by all three countries Negotiations commenced in the Spring of 2011 and should be completed within five years This collection of essays explores the national and international dimensions of indigenous property rights and the draft Convention which recognises the Saami as one people divided by international boundaries Part one of the book seeks to provide a global and theoretical context for these developments in the Nordic countries with a series of essays dealing with the moral and legal reasons for recognising indigenous property interests and different conceptualisations of the relationship between indigenous peoples and settler societies including recognition reconciliation and pluralism Part two of the book examines some international legal issues associated with the Convention including the background to the Convention Part three turns to examine aspects of the recognition of Saami property interests in each of the three Nordic states while Part four provides some comparative experiences examining the recognition of indigenous property rights in a number of jurisdictions including Canada Australia and a number of South American states An additional essay considers gender issues in relation to indigenous property rights Indigenous Educational Policies in Yucatán and Swedish Lapland: From Social Exclusion to Integration Helen Osieja, 2011-07 The book is a Master's in Education dissertation on indigenous educational policies It compares and contrasts Indigenous educational policies in Yucatán Mexico and in Swedish Lapland and analyses to what degree their aims have been fulfilled in practice **Native Peoples of the World** Steven L. Danver, 2015-03-10 This work examines the world's indigenous peoples their cultures the countries in which they reside and the issues that impact these groups *The Sámi People* Veli-Pekka Lehtola, 2004 Sámi culture has undergone powerful changes recently Traditions have been integrated with contemporary influences and perspectives New kinds of Sámi

participation and activism have evolved including innovative politics informative media expressive art and literature Accommodating internal and external changes is nothing novel to the S mi The dialogue between what is traditional and what is modern is a natural part of their development towards the maintenance of S mi cultural distinctness Nomadic and Indigenous Spaces Judith Miggelbrink,Joachim Otto Habeck,Nuccio Mazzullo,Peter Koch,2016-05-06 This volume is devoted to aspects of space that have thus far been largely unexplored How space is perceived and cognised has been discussed from different stances but there are few analyses of nomadic approaches to spatiality Nor is there a sufficient number of studies on indigenous interpretations of space despite the importance of territory and place in definitions of indigeneity At the intersection of geography and anthropology the authors of this volume combine general reflections on spatiality with case studies from the Circumpolar North and other nomadic settings Spatial perceptions and practices have been profoundly transformed by new technologies as well as by new modes of social and political interaction How do these changes play out in the everyday lives identifications and political projects of nomadic and indigenous people This question has been broached from two seemingly divergent stances spatial cognition on the one hand and production of space on the other Bringing these two approaches together this volume re aligns the different strings of scholarship on spatiality making them applicable and relevant for indigenous and nomadic conceptualizations of space place and territory The Soul of the North Neil Kent,2001 This text makes use of the unique and extant cultural forms of architecture and the visual arts as well as statistics and other forms of documentary evidence The Sámi Peoples of the North Neil Kent,2019-03-01 There is no single volume that encompasses an integrated social and cultural history of the S mi people from the Nordic countries and northwestern Russia Neil Kent s book fills this lacuna In the first instance he considers how the S mi homeland is defined its geography climate and early contact with other peoples He then moves on to its early chronicles and the onset of colonisation which changed S mi life profoundly over the last millennium Thereafter the nature of S mi ethnicity is examined in the context of the peoples among whom the S mi increasingly lived as well as the growing intrusions of the states who claimed sovereignty over them The Soviet gulag the Lapland War and increasing urbanisation all impacted upon S mi life Religion too played an important role from pre historic times with their pantheon of gods and sacred sites to their Christianisation In the late twentieth century there has been an increasing symbiosis of ancient S mi spiritual practice with Christianity Recently the intrusions of the logging and nuclear industries as well as tourism have come to redefine S mi society and culture Even the meaning of who exactly is a S mi is scrutinised at a time when some intermarry and yet return to S mi where their children maintain their S mi identity *First World, First Nations* Gunter Minnerup,Pia Solberg,2010-10-21 Collects essays on the Indigenous peoples of Australia and Northern Europe exploring the similarities and differences between the Indigenous experiences in the Nordic countries and Australia **Nuclear Science Abstracts** ,1972 **Untold Story of Milk, Revised and Updated** Ron Schmid,2009-03-25 The role of raw milk in the rise of civilization the milk problem that led to

compulsory pasteurization the politics of the dairy industry Revised and updated with the latest scientific studies documenting the safety and health benefits of raw milk Raw milk is a movement whose time has come This book will serve as a catalyst for that movement providing consumers with the facts and inspiration they need to embrace Nature s perfect food

Experiencing and Protecting Sacred Natural Sites of Sámi and other Indigenous Peoples Leena Heinämäki,Thora Martina Herrmann,2017-02-24 This book focuses specifically on the experience and protection of indigenous and particularly S mi sacred sites in the Arctic Sacred sites are being increasingly recognized as important reservoirs of Arctic cultural and biological diversity as a means for the transmission of culture and identity and a tool for the preservation of fragile northern social ecological systems Yet legal protection of Arctic sacred sites and related policies are often still lacking or absent It becomes increasingly difficult for site custodians in the Arctic to protect these ancient sites due to disruptive changes such as climate change economic developments and infrastructural development With contributions from S mi and non S mi scholars from Arctic regions this book provides new insights into our understanding of the significance and legal protection of sacred sites for S mi of the Arctic It examines the role of international human rights environmental law and longstanding customary law that uphold Arctic indigenous peoples rights in conservation and their associated management systems It also demonstrates the complex relationships between indigenous knowledge cultural spiritual values and belief systems and nature conservation The book looks forward to providing guidelines for future research and practice for improved integration of the ethical cultural and spiritual values of nature into law policy planning and management As such this book offers a contribution to upholding the sanctity of these sites their cultural identity and the biodiversity associated with them An Ethnic History of Europe since 1945 Panikos Panayi,2018-10-08 The first history of Europe since 1945 which examines the continent from a mainly ethnic perspective Panikos Panayi has drawn on years of research to produce this comparative and exploratory account of the experience of ethnic minorities in post war Europe The coverage encompasses all categories of minorities including immigrants and refugees localised ethnic groupings and dispersed peoples Geographically the scope of the book ranges from the Atlantic to the Urals and the Mediterranean to the Arctic looking in particular at the Soviet Union Britain France Germany Romania Cyprus and the former Yugoslavia *Indigenous Peoples* Svein Jentoft, Henry Minde,Ragnar Nilsen,2003 Since the Rio Earth Summit in 1992 a legal process within the auspices of the UN has been underway that may help indigenous peoples to sustain their natural environment industries and cultures This book addresses some of the legal political and institutional implications of those processes Back cover *Technologies for Children* Marilyn Flee,2023-07-10 Technologies for Children is a comprehensive guide to teaching design and digital technologies to children from birth to 12 years Aligned with the Early Years Learning Framework and the Australian Curriculum Technologies this book provides practical ideas for teaching infants toddlers pre schoolers and primary aged children The third edition includes expanded content on teaching digital technologies with a new chapter on computational thinking Key topics covered include

food and fibre production engineering principles and systems and computational thinking The content goes beyond discussing the curriculum to consider technology pedagogies planning assessment and evaluation Case studies drawn from Australian primary classrooms and early childhood centres demonstrate the transition from theory to practice Each chapter is supported by pedagogical reflections research activities and spotlights as well as extensive online student resources Written by Marilyn Fleer this book presents innovative engaging and student centred approaches to integrating technologies in the classroom
