Lash Lash Lesbian Romance

Elaine Hutton

Lash Lash Lesbian Romance:

Last New Beginning Krystina Rivers,2023-01-10 Bailey Kaczmarek has three loves her dog her construction company and her very large family After she finds out that her fianc e never stopped dating she resolves to be content with what she has rather than search for happiness in a relationship It s not like she has much free time anyway Skye Kohl is a high powered commercial real estate broker who spends most of her waking hours negotiating some of the largest leases in the nicest buildings in Chicago She s so focused on topping the list of the most influential brokers in the city that she ignores her love life Bailey s and Skye s professional and personal lives collide as they join forces on a construction project and deal with their meddling mothers who think they re perfect for one another But the more they clash the hotter their simmering attraction burns

The Ultimate Guide to Lesbian & Gay Film and Video Jenni Olson,1996 Since 1977 the San Francisco International Lesbian Gay Film Festival has been at the forefront of lesbian and gay film culture THE ULTIMATE GUIDE draws on the expertise and resources of this festival the largest lesbian and gay media arts event in the world With more than 2000 catalog entries complemented with extensive film stills short essays and reflections on the most important gay and lesbian films ever made a distributor and subject index a chapter on how to organize your own film video festival a directory of international gay lesbian film festivals a bibliography and a filmmaker s Top Ten Survey did you know that John Water s favorite film is The Wizard of Oz THE ULTIMATE GUIDE is ensured placement as the authoritative text on international lesbian and gay cinema

Internet Lesbian and Gay Television Series, 1996-2014 Vincent Terrace,2015-05-23 Created around the world and available only on the Web internet television series are independently produced mostly low budget shows that often feature talented but unknown performers Typically financed through crowd funding they are filmed with borrowed equipment and volunteer casts and crews and viewers find them through word of mouth or by chance The third of five volumes on Internet TV series this book covers 335 alphabetically arranged gay and lesbian programs 1996 2014 giving casts credits story lines episode descriptions websites dates and commentary A complete index lists program titles and headings for gay lesbian bi sexual transgender and drag queen shows

Queers in American Popular Culture Jim Elledge,2010-10-06 This three volume collection of essays reveals the widespread existence of queer men and women in American popular culture and showcases their important yet little known role in shaping our society over the last 120 years The virtually unknown existence of gay bisexual and queer men and women in American popular culture from the late 1800s through the present day is a fascinating topic for many readers regardless of their own orientation Whether it s the father of bodybuilding famous closeted entertainers or sports stars or the leading characters in current television shows and films queer men and women have changed the face of American popular culture and society for over a century Ironically most of the fascinating information anecdotes and revealing facts about well known figures in American culture are virtually unknown to the typical U S citizen Elledge s Queers in American Popular Culture covers a wide variety of historical and

current topics that documents how the queer community has been and continues to be one of the most significant shapers of American popular culture Currently no other book covers queer topics in American popular culture as broadly as this text

Twisted Romance #2 (Of 4) Alex De Campi, Meredith McClaren, Vita Ayala, 2018-02-14 Beauty is business as usual for fashion photographer s assistant Twinkle Johar until she meets and accidentally falls for a shy Hollywood actor during a shoot Is he using her Or can a girl like her really end up with a guy like him Drawn by ALEJANDRA GUTIRREZ Love is Love Backup comics story by MEREDITH McCLAREN HINGES Jem and the Holograms and prose story by VITA AYALA Batman Beyond Medicolegal aspects of moral offenses Léon Henri Thoinot, 1911 Preventing Heterosexism and Homophobia Esther D. Rothblum, Lynne A. Bond, 1996-08-06 In addition to the stresses of everyday life gay men lesbians and bisexuals experience multiple pressures and constraints related to their chosen lifestyles This volume examines the gay and lesbian experience in light of this additional tension which can result in psychopathology and points towards a future free of heterosexism The internationally renowned contributors argue that the stress of coming out uncertainties concerning parenting children and the difficulties facing ethnic minority lesbians gay men and bisexuals cannot be adequately addressed without confronting the heterosexual bias in society They propose methods geared towards eliminating heterosexual bias in a number of settings including health Beyond Sex and Romance? Elaine Hutton, 1998 Elaine Hutton examines the current state of lesbian literature and questions whether it continues to be relevant to lesbians She asks whether the literature is now simply perpetuating heterosexual ideologies instead of challenging them **Human Rights in Postcolonial India** Om Prakash Dwivedi, V. G. Julie Rajan, 2016-02-26 This volume looks at human rights in independent India through frameworks comparable to those in other postcolonial nations in the Global South It examines wide ranging issues that require immediate attention such as those related to disability violence torture education LGBT neoliberalism and social justice The essays presented here explore the discourse surrounding human rights and engage with aspects linked to the functioning of democracy security and strategic matters and terrorism especially post 9 11 They also discuss cases connected with human rights violations in India and underline the need for a transparent approach and a more comprehensive perspective of India s human rights record Part of the series Ethics Human Rights and Global Political Thought the volume will be an important resource for academics policy makers civil society organisations lawyers and those concerned with human rights It will also be useful to scholars and researchers of Indian politics law and sociology The Transmutation of Love and Avant-Garde Poetics Jeanne Heuving, 2016-05-19 The Transmutation of Love and Avant Garde Poetics is a probing examination of how the writing of sexual love undergoes a radical revision by avant garde poets in the twentieth and twenty first centuries Today the exploration of love by poets long a fixture of Western poetic tradition is thought to be in decline with love itself understood to be a mere ideological overlay for the more real entities of physical sex and desire In The Transmutation of Love and Avant Garde Poetics Jeanne Heuving claims that a key achievement of poetry by Ezra Pound H D Robert Duncan Kathleen Fraser

Nathaniel Mackey and others lies significantly in their engagement with the synergistic relations between being in love and writing love These poets she argues have traded the clichéd lover of yore for impersonal or posthuman poetic speakers that sustain the gloire and mystery of love poetry of prior centuries As Robert Duncan writes There is a love in which we are outcast and vagabond from what we are that we call falling in love Heuving claims that this writing of love is defining for avant garde poetics identifying how such important discoveries as Pound's and H.D.'s Imagism Pound's Cantos and Duncan's open field poetics are derived through their changed writing of love She draws attention to how the prevailing concept of language as material is inadequate to the ways these poets also engage language as a medium as a conduit enabling them to address love afresh in a time defined through preoccupations with sexuality They engage love as immanent and change it through a writing that acts on itself The Transmutation of Love and Avant Garde Poetics ascribes the waning of love poetry to its problematic form a genre in which empowered poetic speakers constitute their speech through the objectification of comparatively disempowered subjects or beloveds Refusing this pervasive practice the poets she highlights reject the delimiting one-sided tradition of masculine lovers and passive feminine beloveds instead they create a more nuanced dynamic poetics of ecstatic exploration what Heuving calls projective love and libidinalized field poetics a formally innovative poetry in which one perception leads directly to the next and all aspects of a poem are generative of meaning

Queering Public Address Charles E. Morris, 2007 Ten noted rhetorical critics disrupt the silence regarding nonnormative sexualities in the study of American historical discourse and upend the heteronormativity that governs much of rhetorical history Enacting both political and radical visions these scholars articulate the promises of gay lesbian bisexual and transgender public address The contributors consider figures such as Abraham Lincoln Eleanor Roosevelt Harvey Milk Marlon Riggs and Lorraine Hansberry and issues as diverse as collective identity nineteenth century semiotics of gender and sexuality the sexual politics of the Harlem Renaissance psychiatric productions of the queer and violence induced traumatic styles

Globalization in India: Contents and Discontents Suman Gupta, Tapan Basu, 2010-03-30 Globalization in India Contents and Discontents reviews the importance of the term globalization through an examination of the social political economic and cultural contexts in which globalization exists and influences our everyday lives With the economics of globalization at the core the essays chart the contents and discontents of globalization in India

The Prime Time Closet Stephen Tropiano, 2002 A comprehensive study of homosexuality on television from the 1950s to 2002 Through an analysis of over 300 television episodes made for TV movies and mini series this fascinating account of the evolution of the portrayal of gay men and lesbians offers an in depth look at how four major television genres medical series police detective shows drama and situation comedies approached the subject of homosexuality From 1950s talk shows that tackled the problem of homosexuality to Ellen DeGeneres's historic coming out in 1997 it reveals how television's treatment of homosexuality has reflected and reinforced society's ignorance and fear of gay men lesbians and transgender people and celebrates the

programs that broke new ground in their sensitive enlightened approach to homosexuality and gay related themes and issues such as homophobia gay bashing and AIDS From publisher description *Revolutions of the Heart* Wendy

Langford,2013-01-11 This book looks at how heterosexual relationships really work Author argues that the process of falling in love is just a brief holiday from the gender roles which quickly reassert themselves in their old forms Topics covered include romantic love the problem of desire and the trouble with love **Same Sex Intimacies** Catherine Donovan,Brian

Heaphy,Jeffrey Weeks,2003-09-02 Our families are increasingly a matter of choice and the choices are widening all the time This is particularly true of the non heterosexual world where the last ten years have seen a popular acceptance of same sex partnerships and to a lesser extent of same sex parenting Based on extensive interviews with people in a variety of non traditional relationships this fascinating new book argues that these developments in the non heterosexual world are closely linked to wider changes in the meaning of family in society at large and that each can cast light on the other Same Sex Intimacies gives vivid accounts of the different ways non heterosexual people have been able to create meaningful intimate relationships for themselves and highlights the role of individual agency and collective endeavour in forging these roles as friends partners parents and as members of communities This topical book will provide compelling reading for students of the family sexuality and lesbian and gay studies Territories of the Psyche: The Fiction of Jean Rhys A.

Simpson,2005-01-14 Jean Rhys is widely credited for exposing issues of gender nationality race and class in technically sophisticated arresting narratives Her lifelong exploration of the dynamics of the human psyche has however gone unrecognized This examination places Rhys fiction for the first time within the context of theories that reflect the interrelated perspectives of modern psychoanalysis In clarifying accounts of many approaches that are new to literary scholars as well as those that display the rich legacy of Freudian thought Simpson shows that the paradigms of psychoanalysis illuminate the interpretation of Rhys art With insightful references to the short stories and close readings of her five novels this study testifies to a remarkable achievement as Rhys recorded with unflinching candor the powerful drama of emotional life A

Companion to First Ladies Katherine A.S. Sibley,2016-03-02 This volume explores more than two centuries of literature on the First Ladies from Martha Washington to Michelle Obama providing the first historiographical overview of these important women in U S history Underlines the growing scholarly appreciation of the First Ladies and the evolution of the position since the 18th century Explores the impact of these women not only on White House responsibilities but on elections presidential policies social causes and in shaping their husbands legacies Brings the First Ladies into crisp historiographical focus assessing how these women and their contributions have been perceived both in popular literature and scholarly debate Provides concise biographical treatments for each First Lady **Imagining Sex** Sarah Toulalan,2007-09-06

Imagining Sex is a study of pornographic writing in seventeenth century England It explores a wide variety of written material from the period to argue that unlike today pornography was not a discrete genre nor was it one that was usually

subject at this time to suppression Pornographic writing was a widespread feature of a range of texts including both popular literature ballads news sheets court reports small books and pamphlets as well as poetry drama and more specialised medical books The book analyses representations of sex sexuality and eroticism in historical context to explore contemporary thinking about these issues but also about broader cultural concerns and shifts in attitudes It questions both modern feminist and psychoanalytical interpretations of pornography arguing that these approaches are neither appropriate nor helpful to an understanding of seventeenth century material Through discussions of sex and reproduction homosexuality flagellation voyeurism and humour the book explores the nature of early modern sexual desire and arousal and explores their relationship to contemporary understandings about how the body worked Imagining Sex presents a radically new interpretation of pornography in this period arguing that concerns about fertility were at the heart of representations of bodies and sex so that images of pleasure were entwined with ideas about conception and reproduction It also shows that these texts legitimized the sexual pleasure of the reader by highlighting the pleasure of looking and the incitement to sexual action that it provided

Love Anna G. Jónasdóttir, Ann Ferguson, 2013-11-12 This unique timely book of original essays sets the stage for a new materialist feminist debate on the analysis ethics and politics of love The contributors raise questions about social power and domination situating their research in a materialist feminist perspective that investigates love historically in order to understand changing ideologies representations and practices The essays range from studies of particular representations and examples of love feminist translation mass media images and internet love blogs to feminist theories of love and marriage to ethical and political theories describing critiquing or advocating the use of love in groups as a radical force They break new ground in bringing together questions of gendered interests in love temporal dimensions of loving practices and the politics of love in radical transformations of society

Real Sex Films John Tulloch, Belinda Middleweek, 2017-10-03 Real Sex Films explores one of the most controversial movements in international cinema through theories of globalization and embodiment
