**Operating Manual for Enlightenment** Lincoln Stoller, 2024-11-01 This book is not offering enlightenment it's describing it The enlightened mind unites intellect and emotion despite their separation being built into the structure of our brains This split appears in the mythic division between our lower and higher natures and the separation of mind and body Intellect and emotion function in concert As color and

shape are to vision one complements the other When fully integrated they cannot be taken apart The topics in the book s first half lean toward the intellectual The second half looks at the division from the emotional side What we are separating with one hand we are putting together with the other Struggle We naturally consider our problems as different from ourselves We see them in our environment and rely on our skills and insights to resolve them Our intellectual solutions address one aspect of these problems while our emotions address another Are these problems to be solved or processes to be understood What should we do if our problems are inside us Mind Your state determines your readiness arousal and self reflection Your state of mind orients your thinking how you can feel about yourself and who you re able to be Equally important are thoughts you re not likely to have or cannot have at all This book is about the states of mind that support focus awareness thoughts and feelings It s is not a guide to solving problems it s an explanation of how you see State With our state of mind we gather our thoughts and focus our attention Focus without a state is like a telescope with no one to look through it In order to focus first take full responsibility for all you think and feel The properties of your state determine what you re capable of One state of mind is not enough because you cannot understand the world from one point of view Your future is determined by your range of states of mind Wisdom Alternate states of mind support understandings we don t have They may be logical emotional spiritual or evanescent They could involve knowledge spread across generations so that no one generation has the complete picture We might call them prophetic inspired psychedelic or delusional Larger states of mind develop with experience but they re not defined by the facts they hold One needs a state of mind that can accommodate contradictions without generating conflict Instantaneous Enlightenment Change does not happen instantly but epiphanies feel instantaneous The reason is simple a new state is a whole rearrangement of one s previous conception There are no halfway states to total rearrangement Many pieces need to fall into place before we can make ourselves into something new We are at a watershed moment in our understanding of the mind after which psychology will change Instead of focusing on thoughts and behavior we are coming to understand that what s important is what you can think and how you can behave The Operating Manual is an intellectual emotional and neurological road map to the integration you don t yet have REVIEWS and WORDS of PRAISE What a pleasure to see the wry wit and humor of an old friend focused on that which we all take for granted our deep complex hard problem of consciousness It is not a linear treatise but a winding through the mind s labyrinthine pathways to archetypal insights What a pleasant journey Jay Gunkelman Chief Science Officer of Brain Science International and NeuroNet Neuroscience Centers Past president of the International Society for Neurofeedback and Research and the Biofeedback Society of California I strongly recommend Operating Manual for Enlightenment It is a true guide to empowering and liberating yourself written in common language The pages are full of gems for readers of all ages and interests Adrian Bejan Distinguished Professor of Engineering author of Freedom and Evolution and The Physics of Life The Evolution of Everything Like Castaneda s The Teachings of Don Juan Lincoln s Operating Manual is an essential life reference wherever whenever or

**The Art of Permanence** Tim Swick, 2017-09-25 Mate selection is the second most important decision we make in life This decision determines whether our life will be blessed and full of joy or if it will be a painful calamity If it is a calamity then it will bring disastrous effects on us our mate our children and our extended family and friends Who can best guide us through this decision Parents frequently convey to their children that the only criteria for success in mate selection and marriage are money and education Parents want their children to excel in marriage but they give their children no specialized training or emphasis on preparing their lives and being the kind of person who can secure a godly mate and maintain a permanent lasting relationship I see churches striving to attract youths and young adults to the church I see churches challenging youths to be exceptional in their faithfulness to Jesus I want to see churches teaching teenagers and young adults to be intimate with one another while maintaining sexual purity I want to see churches teaching youths how to build the skills that

will make them an excellent mate and future parent I want to see churches teaching youths and young adults how to find healing for the pains that are destroying their lives I see churches teaching that God demands holiness and I want to see them teaching that holiness is the most enjoyable beneficial and only lifestyle that can and will bring permanence to all of our relationships including marriage      **Success & Happiness One Day at a Time; an instructional manual for your life ,**

Wilson,2007 If you re an active ham radio operator you probably have a story about your first radio contact Many hams remember that experience even more than their first license examination      Heirs of Auschwitz Jack Fried,2020-03-27 You can find countless stories of the atrocities committed during the Holocaust as told firsthand by those souls that have witnessed lived through and survived indescribable horror From great retellings from authors such as Elie Wiesel to dramatized influential works of fiction from writers including John Boyne it becomes clear the Holocaust has impacted more than the people that directly experienced it As the era of first generation Holocaust survivors approaches its end their stories as well as their trauma lives on however through their descendants As a consequence the descendants of Holocaust survivors as current research suggests have also been affected from the result of the experience of their parents and grandparents Few stories are ever written by the heirs of those who endured that indescribable horror and in the way that it manifests psychologically just two generations later Author Dr Jack Fried born to the son and daughter of Holocaust survivors is one of the many whose life has been forever changed by the events that transpired during the Holocaust Inter generational trauma is not a well known concept but for Dr Fried it meant that he had to take a journey into a past he didn t personally know his grandparents past to find pieces to a puzzle that may answer his questions about the origins of a lifelong battle he has had with separation anxiety His trip took him to Poland where he uncovered a slew of pent up emotions fears and dark histories Oddly as Dr Fried learns about his family s past and his present he unknowingly embarks on a spiritual journey into Jewish mysticism which slowly enables him to transcend his lifelong struggles with a fear and anxiety that didn t belong to him All of the inhibiting emotions were released upon his connection to the strife of his ancestors Heirs of Auschwitz is an extremely worthwhile read for anyone with unresolved feelings anyone who has not witnessed or has avoided witnessing human suffering and for those who cannot fathom what hell on earth is like      *Scientific and Technical Aerospace Reports* ,1986-07      **The End of Dieting** Donna Aston,2011-09-01 Looking to go to diet rehab Need to understand what makes you tick Want to know why fad dieting simply fuels the obesity epidemic Look no further the answers
