Beware of Dog Melissa Crawley, 2021-05-13 For many of us the only way we meet dangerous dogs is through news reports about vicious attacks and films and TV shows that feature out of control versions of man s best friend But there s more to the Bad Dog s story than sensational headlines and movie beasts A deeper look at these representations reveals a villain much closer to home This book takes the reader on a rich journey through depictions of violent dogs in popular media It explores how press accounts and screen stories transform canines into bloodthirsty hunters rabies infested strays ferocious fighters rogue law enforcement partners and diabolical pets all adding up to a frightening picture of our usually beloved companions But when media tells the dangerous dog s story it is often with a deep connection to the person on the other end of the leash
