Latin Metre Bcp Advanced Language S:

Latin Metre David Sebastian Raven, 1998-06-26 The aim of this title is to provide a reference work for both students and teachers on every kind of Latin metre from the early saturnian to medieval accentual verse The information provided aims to be in its simplest form to make the subject more accessible and jargon free **Foreign Languages** Northside Independent School District (San Antonio, Tex.), 198? *Advanced Latin* Stephen Anderson, James Morwood, Katharine Radice, 2013-10-16 Advanced Latin offers a range of material to help students build and develop the knowledge and skills needed for A2 and Pre U Latin There are 24 translation comprehension exercises based on passages taken predominantly from Livy Caesar and Ovid These match exactly the requirements of A2 but the passages work equally well as unseens for those working towards Pre U Six further passages are offered for unseen translation only and are designed to stretch the most able There are then 12 passages of continuous prose for translation into Latin each supported by notes to help the student and an appendix that contains a comprehensive English Latin vocabulary To support the study of A2 and Pre U literature there are short commentaries on sample passages from each of the prescribed authors demonstrating a variety of interpretative approaches In addition for each author there is an annotated bibliography to guide both teacher and student to the most useful secondary literature available A separate section focuses on the Pre U unseen literary criticism option and offers six practice passages **Latin - the Eternal Language** Martin Newman, 2014 In a lecture about the value of Classics given at Oxford University in 1947 Dorothy L Sayers the British Author translator and humanist said The best grounding for an education is the Latin Grammar I say this not because Latin is traditional and mediaeval but simply a rudimentary knowledge of Latin cuts down the labour and pains of learning almost any other subject by at least fifty per cent It is the key to the vocabulary and structure of the Teutonic languages as well as the technical Vocabulary of all the sciences and to the literature of the entire Mediterranean civilisation together with all its historical documents a After retiring from the Australian Public Service the author studied classics for some time at the Australian National University He also held classes in Latin for several years at The University of the Third Age Here he developed and used the system contained in this book namely that information is more easily retained if it is related to information already held In easy structured steps this book introduces the reader to grammatical and syntactical structure of the Latin language It is written for readers who do not have time or otherwise do not wish for a more formal course **Get Started in Latin Absolute Beginner Course** G D A Sharpley, 2012-03-30 Do memories of your grammar lessons haunt you and other textbooks overwhelm you Then Get Started in Latin is for you Follow a Latin story set in a medieval monastery where conspiracy unfolds in the cloisters Vikings threaten to attack and young lovers set out to unmask the villains Sample some classical Latin too and learn more about the authors who wrote it The free audio for this course is available to download to the Teach Yourself Library app or to stream on library teachyourself.com The recording contains the story and the Living Latin sections of the book and will enhance your enjoyment of the poetry and give

you an idea of what Latin sounded like Get Started in Latin is ideal for complete beginners because it introduces the language step by step through an interesting and humorous story Each unit contains grammatical explanations and vocabulary support There are plenty of exercises to practise each point as it is introduced and help you remember what you have learnt There are two revision units so that you can check your progress and review areas of difficulty About Latin sections give lots of information about the history of the language and its influence upon English Living Latin sections contain pieces of authentic Latin most of which is classical They are included to give you an idea of what there is to enjoy once you have mastered the language and the translations are given Learn effortlessly with new easy to read page design and interactive features NOT GOT MUCH TIME One and ten minute introductions to key principles to get you started AUTHOR INSIGHTS Lots of instant help with common problems and quick tips for success based on the author s many years of experience USEFUL VOCABULARY Easy to find and learn to build a solid foundation for understanding TEST YOURSELF Tests in the book and online to keep track of your progress

From Puella to Plautus Tamara Trykar-Lu, 2019 Whether to enlarge your general education improve your English or just because you are curious about the society that has had such a lasting influence on our history our language our thoughts and our culture you should and can learn Latin Tamara Trykar Lu s charming and delightful introduction to Latin From Puella to Plautus Volume II is designed for intermediate to advanced Latin study at the high school or college level either with the aid of a teacher and classroom or simply for personal enjoyment and enrichment In this volume the reader is introduced more broadly to the subjunctive mood as well as a broad range of applications of the ablative accusative genitive and dative cases A wide variety of reading material is presented including excerpts from the Carmina Burana the writings of Catullus the poetry of Ovid the life of Saint George as told in de Voragine s Golden Legend the eruption of Mount Vesuvius from the account of Pliny the Elder and Seneca s story of the murder of Cicero There follows an extensive summary of the grammar and syntax encountered in both volumes Last as a capstone the reader can enjoy reading and understanding Plautus s comedy Aulularia in the original Latin Each chapter ends with a brief outline of some aspect of Roman culture such as housing fauna and flora games crafts water supply and cooking with recipes And last but not least there are informative tidbits drawings cartoons jokes riddles crossword puzzles and of course pictures distributed throughout the book For while foreign language study should be logical coherent and rigorous it need not be heavy handed or pedantic and certainly not dull Ideal for use in courses or for brushing up your language skills From Puella to Plautus Volume II is a lively and engaging book about the Latin language and life in the Roman Empire *Via Plana* P. Ruth Taylor-Briggs, 2000-11-23 Via Plana adopts a radically new systematic approach to the teaching of advanced Latin grammar through the medium of unseen translation Rather than just another random collection of unseen exercises presented to the student in the optimistic hope that somehow they will muddle through and absorb some of the finer points of Latin grammar along the way it provides a graduated learning environment suitable for those approaching points of grammar for the first time and for those revising the same points at a later stage Each chapter presents in detail a grammatical feature and then reinforces understanding of it through translation exercises set at five graduated levels This offers sixth formers and university undergraduates a smooth road to fluency via a structured series of exercises primarily translation passages extracted from major Latin authors focusing specifically on each grammar feature in turn and graduated in difficulty to match the students increasing level of ability
