Island of Bones Joy Castro,2012-09-01 What is identity when you re a girl adopted as an infant by a Cuban American family of Jehovah s Witnesses The answer isn t easy You won t find it in books And you certainly won t find it in the neighborhood This is just the beginning of Joy Castro s unmoored life of searching and striving that she s turned to account with literary alchemy in Island of Bones In personal essays that plumb the depths of not belonging Castro takes the all too raw materials of her adolescence and young adulthood and views them through the prism of time The result is an exquisitely rendered richly detailed perspective on a uniquely troubled young life that reflects on the larger questions each of us faces in a world where diversity and singularity are forever at odds In the experiences of her past hunger and abuse flight as a fourteen year old runaway single motherhood the revelations of her true ethnic identity the suicide of her father Castro finds the jagged smashed place of edges and fragments that she pieces together to create an island all her own Hers is a complicated but very real depiction of what it is to jump class to not belong but to find one s voice in the interstices of identity

Re'enev Mike Maranhas,2006-12 Luke and Meesha Ferless college sweethearts now professionals in their thirties are hiking in a rain forest far from civilization Their vacation to the idyllic island Re enev is a major step toward rejuvenating what was once a beautiful marriage a marriage whose decline due to Luke s betrayal prompted Meesha to attempt suicide While hiking they unknowingly venture into forbidden territory When they separate briefly in the dense flora Meesha vanishes Tragedy has separated Luke and Meesha once emotionally they were beginning to heal Now it has struck again this time physically Luke HAS to find her but the elements are against him while his mind his only ally can also be an enemy Equal parts thriller romance and mystery Re enev captures both the beauty and fragility of marital love and human life The story is unique in the way it conjoins an urbane couple with primitive danger blissful sensuality with unbridled brutality and a cerebral protagonist with a world that seems to lack reason then the conclusion brings unexpected redemption but with a stunning twist and a lethal caveat Re enev is that rare novel that appeals across genders and genres with its intense plot poetic prose sharp dialogue and candid depiction of the human psyche through relationships crises perceptions and emotions most notably love and fear

Lomelí, Donald W. Urioste, María Joaquina Villaseñor, 2016-12-27 U S Latino Literature is defined as Latino literature within the United States that embraces the heterogeneous inter groupings of Latinos For too long U S Latino literature has not been thought of as an integral part of the overall shared American literary landscape but that is slowly changing This dictionary aims to rectify some of those misconceptions by proving that Latinos do fundamentally express American issues concerns and perspectives with a flair in linguistic cadences familial themes distinct world views and cross cultural voices The Historical Dictionary of U S Latino Literature contains a chronology an introduction and an extensive bibliography The dictionary

section has cross referenced entries on U S Latino a authors and terms relevant to the nature of U S Latino literature in order to illustrate and corroborate its foundational bearings within the overall American literary experience This book is an excellent access point for students researchers and anyone wanting to know more about this subject Rethinking Chicana/o Literature through Food M. Abarca,2013-12-18 As Food Studies has grown into a well established field literary scholars have not fully addressed the prevalent themes of food eating and consumption in Chicana o literature Here contributors propose food consciousness as a paradigm to examine the literary discourses of Chicana o authors as they shift from the nation to the postnation Archival Dissonance in the U.S. Cuban Post-Exile Novel Gregory Helmick,2016-01-14 Archival Dissonance in the U S Cuban Post Exile Novel documents a body of emergent US Cuban literature published in Spanish and English beyond the scope and historicity of exile Focusing on the work of Roberto G Fern ndez Ana Men ndez and Antonio Ben tez Rojo the book proposes that rather than reinforce US Cuban exile ethnic identity developed between 1960 and the 1980s or demonstrate a tendency toward cultural assimilation Americanization over three generations of writers the discussed historical novels incorporate Caribbean and Latin American archival sources and interpretive frameworks in order to develop a critical and investigative approach to the politics of Cuban exile historiography Published before the recent apertura between the US and Cuban governments these post exile novels anticipate themes of displacement migration and social marginalization as common rather than exceptional features of modern and historical life as well as such other current and historical topics as gender construction and performance figurations of race the commoditization of culture and urban poverty The post exile historical novel points to a future for US Cuban narrative and historiography in part by investigating and featuring dissonances hidden or unacknowledged in previous Cuban exile historical fiction The literature studied in this book further reinforces a view of two way migration between Cuba and the United States as a normal phenomenon predating 1959 and at the same time as a likely shape of things to come
