**Racial Innocence** Tanya Katerí Hernández, 2022-08-23 Profound and revelatory *Racial Innocence* tackles head-on the insidious grip of white supremacy on our communities and how we all might free ourselves from its predation. Tanya Katerí Hernández is fearless and brilliant. What fire Junot Díaz. The first comprehensive book about anti-Black bias in the Latino community that unpacks the misconception that Latinos are exempt from racism due to their ethnicity and multicultural background. *Racial Innocence* will challenge what you thought about racism and bias and demonstrate that it's possible for a historically marginalized group to experience discrimination and also be discriminatory. Racism is deeply complex, and law professor and comparative race relations expert Tanya Katerí Hernández exposes the Latino racial innocence cloak that often veils Latino complicity in racism. As Latinos are the second largest ethnic group in the US, this revelation is critical to dismantling systemic racism. Basing her work on interviews, discrimination case files, and civil rights law, Hernández reveals Latino anti-Black bias in the workplace, the housing market, schools, places of recreation, the criminal justice system, and Latino families. By focusing on racism perpetrated by communities outside those of White non-Latino people, *Racial Innocence* brings to light the many Afro-Latino and African American victims of anti-Blackness at the hands of other people of color. Through exploring the interwoven fabric of discrimination and examining the cause of these issues, we can begin to move toward a more egalitarian society.

Chiles,2023-12-28 A Black majority city with a history of the most severe segregation and inequity Richmond is still grappling with this legacy as it moves into the twenty first century Marvin Chiles

now offers a unique take on Richmond's racial politics since the civil rights era by demonstrating that the city's current racial disparities in economic mobility housing and public education actually represent the unintended consequences of Richmond's racial reconciliation measures He deftly weaves municipal politics together with grassroots efforts examining the work and legacies of Richmond's Black leaders from Henry Marsh on the city council in the 1960s to Mayor Levar Stoney to highlight the urban revitalization and public history efforts meant to overcome racial divides after Jim Crow yet which ironically reinforced racial inequality across the city Compellingly written this project carries both local and broader regional significance for Richmonders Virginians southerners and all Americans
