civil war Mao hoisted the red flag over Beijing's Forbidden City and the world watched as the Communist revolution began to wash away the old order. Due to the secrecy surrounding the country's records, little has been known before now about the eight years that followed, preceding the massive famine and Great Leap Forward. Drawing on hundreds of previously classified documents, secret police reports, unexpurgated versions of leadership speeches, eyewitness accounts of those who survived, and more, *The Tragedy of Liberation* bears witness to a shocking, largely untold history. Interweaving stories of ordinary citizens with tales of the brutal politics of Mao's court, Frank Dikötter illuminates those who shaped the liberation and the horrific policies they implemented in the name of progress. People of all walks of life were caught up in the tragedy that unfolded, and whether or not they supported the revolution, all of them were asked to write confessions, denounce their friends, and answer queries about their political reliability. One victim of thought reform called it a carefully cultivated Auschwitz of the mind. Told with great narrative sweep, *The Tragedy of Liberation* is a powerful and important document giving voice at last to the millions who were lost and casting new light on the foundations of one of the most powerful regimes of the twenty-first century. Forty Years of Chinese Communism Allan Burnett Cole, 1962. Annotated bibliography intended mainly for teachers in secondary schools. Includes bibliography. *The Chinese Revolution* Paul Byrne, 2007-05-31. In August 1945, World War II was over, and China was liberated after suffering for years under harsh Japanese military rule. But a new war was about to begin. Over the next four years, China would endure a brutal civil war as the Nationalists, who had ruled China before the war against Japan, and their longtime enemies, the Communists, battled it out to the bitter end. The ultimate Communist victory over the Nationalists brought a massive revolution to Chinese society and even more suffering to the Chinese people.
