Beermann,2022-10-15 In The Journey to Separate but Equal Madame Decuir s Quest for Racial Justice in the Reconstruction Era Jack Beermann tells the story of how in Hall v Decuir the post Civil War US Supreme Court took its first step toward perpetuating the subjugation of the non White population of the United States by actively preventing a Southern state from prohibiting segregation on a riverboat in the coasting trade on the Mississippi River The Journey to Separate but Equal offers the first complete exploration of Hall v Decuir with an in depth look at the case s record the lives of the parties lawyers and judges and the case s social context in 1870s Louisiana The book centers around the remarkable story of Madame Josephine Decuir and the lawsuit she pursued because she had been illegally barred from the cabin reserved for White women on the Governor Allen riverboat The drama of Madame Decuir s fight against segregation s denial of her dignity as a human and particularly as a woman enriches our understanding of the Reconstruction era especially in Louisiana including political and legal changes that occurred during that time and the plight of people of color who were freed from slavery but denied their dignity and rights as American citizens Hall v Decuir spanned the pivotal period of 1872 1878 during which White segregationist Democrats redeemed the South from Republican control The Supreme Court s ruling in Hall overturned the application of an 1869 Louisiana statute prohibiting racial segregation in Madame Decuir s case because of the status of the Mississippi River as a mode of interstate commerce The decision represents a crucial precedent that established the legal groundwork for the entrenchment of Jim Crow in the law of the United States leading directly to the Court s adoption of separate but equal in Plessy v Ferguson *Congressional Record* United States.
