March 3 2015 Bible Study Guide 1:

God is Said to do that which He Only Permits Troy J. Edwards,2015-12-04 It is usual in Scripture to attribute to the Supreme Power acts which are virtually those of his instruments and which he merely permits Charles Edward Fraser Tytler Many false charges have been leveled at God by His critics atheists agnostics satanists etc due to misreading the Bible Part of the problem has been the failure to understand the idiomatic language used in the Ancient Near East especially among the Hebrew people from which our God inspired Scriptures have their origin This failure has led to more misunderstandings about God and His inspired Word than we can attest to While the Hebrews had numerous idioms I am fully persuaded that the most neglected one among theologians and Bible translators has been what I prefer to label as the permission idiom This is the idiom that as we will learn in this study scholars tell us is one in which God is said to be the cause of that which He merely allowed or permitted or did not prevent from happening May the Lord use this book to help you understand Him and your Bible better
