Shipmasters' society, 1898 *Conscription in the Napoleonic Era* Donald Stoker, Frederick C. Schneid, Harold D. Blanton, 2008-10-09 This edited volume explores conscription in the Napoleonic era tracing the roots of European conscription and exploring the many methods that states used to obtain the manpower they needed to prosecute their wars The levée en masse of the French Revolution has often been cited as a Revolution in Military Affairs but was it truly a revolutionary break with past European practices of raising armies or an intensification of the scope and scale of practices already inherent in the European military system This international collection of scholars demonstrate that European

conscription has far deeper roots than has been previously acknowledged and that its intensification during the Napoleonic era was more an evolutionary than revolutionary change This book will be of much interest to students of Military History Strategic Studies Strategic History and European History *William Wordsworth* Robert Woof,2003-09-02 The Critical Heritage series collects together a large body of criticism on major figures in literature Each volume presents the contemporary responses to a particular writer enabling the student to follow the formation of critical attitudes to the writer s work and its place within a literary tradition The carefully selected sources range from landmark essays in the history of criticism to fragments of contemporary opinion and little published documentary material such as letters and diaries Significant pieces of criticism from later periods are also included in order to demonstrate fluctuations in reputation following the writer s death This new volume in the series includes criticism on the work of William Wordsworth during the period 1793 1820 Extremely wide ranging in its coverage over 250 diary extracts letters reviews comments and opinions by and about Wordsworth are gathered together here for the first time An invaluable addition to any literary library The British Catalogue of Books, Published from October 1837 to December 1852: Classification and index ,1853 *Index to the British Catalogue of Books* ,1858 **Index to the English Catalogue of Books ...** ,1876 **Town Gardening.
