Match Fixing In International Sports Match Fixing In International Sports:

Match-Fixing in International Sports M.R. Haberfeld,Dale Sheehan,2013-11-23 Match fixing has become a widespread international problem in recent years It includes everything from bribery of players to putting undue influences on the owners of the soccer clubs managers coaches and others who have the ability to affect the final scores In addition match fixing spills over into the arena of illegal betting in person and online which creates a host of additional organized crime opportunities including human trafficking prostitution drugs extortion and even terrorism This timely volume brings together international contributions with an aim is to increase awareness of the problems associated with match fixing and the degree to which key agents in sport particularly young people are vulnerable The contributions are based on INTERPOL s Global Experts Meeting in Singapore in November 2012 which brought together key speakers to discuss issues surrounding match fixing and how to combat corruption in football through channels of education The purpose of this meeting was to identify ways that academia can play a role in developing and implementing training modules and academic courses including certification procedures to prevent match fixing and develop lines of study at all educational levels This unique work reflects the gravity of the situation around the world together with possible solutions

Match Fixing and Sport Mike Huggins,Rob Hess,2020-06-29 Match Fixing and Sport studies match fixing in historical perspective revealing how match fixing has always been a major sporting continuity alongside another longstanding continuity a widely held belief in a mythical recent past of pristine purity The volume begins with a brief overview of match fixing s global contemporary contexts the broad range of sports where it now surfaces increased recognition of its moral social and economic threat and the varied responses of leading sports organizations legal gambling operators police forces governmental departments and regulators The following chapters explore the challenges of finding any reliable evidence of match fixing in the past An overview shows that match fixing has been a major and substantial longstanding historical continuity in sport usually but not always is linked to gambling and sporting materialism Examples are brought forward to show that it could be found in Ancient Greece and Egypt and was widespread across the early modern and modern periods around the globe Overall the volume assists scholars by suggesting some key questions which a future agenda for the historical study of match fixing might address Revealing how high stakes betting dishonest dealings and suspicious performances can be found throughout history Match Fixing and Sport will be of great interest to scholars of Sport History and Sport Ethics This book was originally published as a special issue of The International Journal of the History of Sport
