Powerful Teaching Pooja K. Agarwal, Patrice M. Bain, 2019-05-13. Unleash powerful teaching and the science of learning in your classroom. Powerful Teaching: Unleash the Science of Learning empowers educators to harness rigorous research on how students learn and unleash it in their classrooms. In this book, cognitive scientist Pooja K. Agarwal, Ph.D., and veteran K-12 teacher Patrice M. Bain, Ed.S., decipher cognitive science research and illustrate ways to successfully apply the science of learning in classroom settings. This practical resource is filled with evidence-based strategies that are easily implemented in less than a minute without additional prepping, grading, or funding. Research demonstrates that these powerful strategies raise student achievement by a letter grade or more, boost learning for diverse students, grade levels, and subject areas, and enhance students' higher-order learning and transfer of knowledge beyond the classroom. Drawing on a fifteen-year scientist-teacher collaboration, more than 100 years of research on learning, and rich experiences from educators in K-12 and higher education, the authors present highly accessible, step-by-step

guidance on how to transform teaching with four essential strategies Retrieval practice spacing interleaving and feedback driven metacognition With *Powerful Teaching* you will Develop a deep understanding of powerful teaching strategies based on the science of learning Gain insight from real world examples of how evidence based strategies are being implemented in a variety of academic settings Think critically about your current teaching practices from a research based perspective Develop tools to share the science of learning with students and parents ensuring success inside and outside the classroom *Powerful Teaching Unleash the Science of Learning* is an indispensable resource for educators who want to take their instruction to the next level Equipped with scientific knowledge and evidence based tools turn your teaching into powerful teaching and unleash student learning in your classroom *Math Instruction for Students with Learning Difficulties* Susan Perry Gurganus, 2021-11-29 This richly updated third edition of *Math Instruction for Students with Learning Difficulties* presents a research based approach to mathematics instruction designed to build confidence and competence in preservice and inservice PreK 12 teachers Referencing benchmarks of both the National Council of Teachers of Mathematics and Common Core State Standards for Mathematics this essential text addresses teacher and student attitudes towards mathematics as well as language issues specific mathematics disabilities prior experiences and cognitive and metacognitive factors Chapters on assessment and instruction precede strands that focus on critical concepts Replete with suggestions for class activities and field extensions the new edition features current research across topics and an innovative thread throughout chapters and strands multi tiered systems of support as they apply to mathematics instruction **Authentic Opportunities for Writing about Math in High School** Tammy L.
