For the uninitiated, the term "anthropology" may not mean much. But the word is used in many different ways. It can refer to the study of human beings, or to the study of human culture, or to the study of human history. In this article, we will explore the different meanings of the word and how they have changed over time.

1. The first step in the process is to identify the problem or issue that needs to be addressed. This involves gathering information and understanding the context of the problem.
