Matilda The Stone Fairy:

Matilda the Stone Fairy A. I. Bloom, 2015-05-29 In Matilda's world the worst thing a fairy can do is get angry because a fairy who gets angry runs the risk of becoming a witch. The only salvation for a witch is the spell of redemption cast by fairies commissioned by the queen to save the lost. When Matilda's best friend Luanna is killed by a witch, her anger transforms her into the very thing she has been called to save. Murdering hundreds in her rage, Matilda finds herself afraid of what she's become and hides herself deep in the earth where no fairy can go. Imbued there by dark magic, she plots a way to protect herself from the queen. Who will save the world from Matilda? Who will save Matilda from herself? **Tell Me about Your**

The NERDS National Espionage Rescue and Defense Society have been gifted with nanobyte-enhanced superpowers. The only catch: they're still in elementary school. Join Duncan Gluestick, Dewey Ruby Pufferfish, Peet Heathcliff Choppers, Hodges Julio Flinch Escala, Matilda Wheezer Choi, and Jackson Braceface Jones as they work from their school basement headquarters to save the world, confront former teammates gone bad, infiltrate the cheerleading squad, stop a plague of evil alter egos, and save the President's daughter. Werner LAURIE, 1869 **Blackwood's Magazine**, 1844 *Mark of the Wicked* Georgia Bowers, 2025-08-22 A young witch tries to unravel the mystery of who is framing her for dark magic in Georgia Bowers' creepy YA debut fantasy *Mark of the Wicked*. Magic always leaves its mark. All her life, Matilda has been told one thing about her magic: You use it only when necessary. But Matilda isn't interested in being a good witch. She wants revenge and popularity and to live her life free of consequences, free of the scars that dark magic leaves on her face as a reminder of her misdeeds. When a spell goes awry and the new boy at school catches her in the act, Matilda thinks her secret might be out. But far from being afraid, Oliver already knows about her magic and he wants to learn more. As Oliver and Matilda grow closer, bizarre things begin to happen. Animals show up with their throats slashed and odd markings carved into their bodies; a young girl dies mysteriously and everyone blames Matilda. But she isn't responsible, at least not that she can remember. As her magic begins to spin out of control, Matilda must decide for herself what makes a good witch and discover the truth before anyone else turns up dead. A breathlessly told, consuming portrait of a witch's relationship with loneliness and power, protagonists are elaborately drawn and the novel's eerie
