**American Book Publishing Record**, 2000-07 ABA Journal, 1961-07 The ABA Journal serves the legal profession Qualified recipients are lawyers and judges law students law librarians and associate members of the American Bar Association *Sport Law* Anita M. Moorman, 2017-07-05 Sport Law A Managerial Approach third edition merges law and sport management in a way that is accessible and straightforward Its organization continues to revolve around management functions rather than legal theory Concise explanations coupled with relevant industry examples and cases give readers just enough legal doctrine to understand the important concepts that apply to each area This book will help prepare students as they get ready to assume a broad range of responsibilities in sport education or recreation Whether readers work as coaches or teachers administer professional programs manage fitness health clubs or assume roles in a high school college Olympic or professional sport organization legal concerns will inevitably be woven into their managerial concerns This book provides knowledge of the law that helps create a competitive advantage and build a more efficient and successful operation that better serves the needs of its constituents Special Features of the Book Managerial context tables Chapter opening exhibits act as organizational and study tools identifying managerial contexts in relation to major legal issues relevant law and

illustrative cases for the chapter Case opinions focus cases and hypothetical cases Legal opinions both excerpted case opinions and summarized focus cases illustrate relevant legal points and help readers understand the interplay between fact and legal theory The cases include questions for discussion and the instructor s manual provides guidance for the discussion Hypothetical cases further highlight topics of interest and include discussion questions to facilitate understanding of the material analysis and possible responses appear at the end of the chapter Competitive advantage strategies Highlighted focused strategies based on discussions in the text help readers understand how to use the law to make sound operational decisions and will assist them in working effectively with legal counsel Discussion questions learning activities and case studies Thoughtful and thought provoking questions and activities emphasize important concepts they help instructors teach and readers review the material Creative case studies stimulate readers as future sport or recreation managers to analyze situations involving a legal issue presented in the chapter Annotated websites Each chapter includes a collection of web resources to help readers explore topics further Accompanying the web addresses are brief descriptions pointing out key links and the sites benefits Bookmarking these sites will help readers in future research or throughout their careers

**Congressional Record** United States. Congress,1978      *Making Employment Rights Effective* Linda Dickens,2012-10-02 There has been an enormous expansion of individual employment rights in Britain but their practical impact in terms of delivering fairer workplaces can be questioned Taking as its starting point the widespread acknowledgement of problems with the major enforcement mechanism the Employment Tribunals this collection brings together experts from law sociology and employment relations to explore a range of alternative regulatory and non regulatory approaches to enforcement and to securing compliance and to consider factors affecting variation in the extent to which legal rights have meaning and impact at the workplace Thus this book addresses issues key to contemporary policy and academic debate Chapters discuss the growth in employment rights and their enforcement mechanisms Gillian Morris problems with the employment tribunal system and the current and potential role of alternative dispute resolution Linda Dickens reflect on the long experience of enforcement of equality rights Bob Hepple and agency enforcement of health and safety legislation under the better regulation agenda Steve Tombs and David Whyte evaluate the potential of various reflexive law mechanisms including corporate governance Simon Deakin Colm McLaughlin and Dominic Chai and of procurement Christopher McCrudden as strategies for delivering fairness at the workplace Factors influencing how statutory rights shape workplace practice are illuminated further in chapters on trade unions and individual legal rights Trevor Colling the management of employment rights John Purcell and regulation and small firms Paul Edwards The opening chapter Dickens makes the case for addressing issues of enforcement and compliance in terms of adverse treatment at work while the final chapter Dickens considers why successive governments have been reluctant to act and outlines steps which might be taken were there sufficient political will to do so to help make employment rights effective in promoting fairer workplaces
