What Can You Do with Your Bible Training? Brandon C. Benziger,Adam W. Day,2023-06-23 Employment in the field of biblical studies has changed significantly in recent years and the coronavirus pandemic has only exacerbated the resulting challenges The purpose of this anthology is to inform and inspire evangelical students and graduates of biblical studies programs about the wide variety of training related vocational paths they can pursue both conventional and unconventional

The book does this by listing and categorizing twenty five relevant pathways sharing the stories and insights of insiders within each pathway and calling for further creativity in putting one's biblical training to work Each contributor shares 1 how they settled into their represented occupation 2 the ways in which they have used their biblical training in that occupation 3 the joys and trials of their work and 4 advice for those who would like to follow in their footsteps The volume stands in the tradition of several nuts and bolts like resources within the guild e.g Nijay Gupta's Prepare Succeed Advance and Ben Witherington's Is There a Doctor in the House and it seeks to develop that tradition considerably *The Flourishing Teacher* Christina Bieber Lake,2020-06-16 Drawing on more than twenty years of teaching experience Christina Bieber Lake helps you rediscover your passion for the teaching profession Creatively structured around the typical rhythms of the academic calendar this book offers refreshing and practiced advice about how to flourish in the midst of the teaching life *Research Anthology on Instilling Social Justice in the Classroom* Management Association, Information Resources,2020-11-27 The issue of social justice has been brought to the forefront of society within recent years and educational institutions have become an integral part of this critical conversation Classroom settings are expected to take part in the promotion of inclusive practices and the development of culturally proficient environments that provide equal and effective education for all students regardless of race gender socio economic status and disability as well as from all walks of life The scope of these practices finds itself rooted in curriculum teacher preparation teaching practices and pedagogy in all educational environments Diversity within school administrations teachers and students has led to the need for socially just practices to become the norm for the progression and advancement of education worldwide In a modern society that is fighting for the equal treatment of all individuals the classroom must be a topic of discussion as it stands as a root of the problem and can be a major step in the right direction moving forward *Research Anthology on Instilling Social Justice in the Classroom* is a comprehensive reference source that provides an overview of social justice and its role in education ranging from concepts and theories for inclusivity tools and technologies for teaching diverse students and the implications of having culturally competent and diverse classrooms The chapters dive deeper into the curriculum choices teaching theories and student experience as teachers strive to instill social justice learning methods within their classrooms These topics span a wide range of subjects from STEM to language arts and within all types of climates PK 12 higher education online or in person instruction and classrooms across the globe This book is ideal for in service and preservice teachers administrators social justice researchers practitioners stakeholders researchers academicians and students interested in how social justice is currently being implemented in all aspects of education **Faculty Development on a Shoestring** Diane D. Chapman,Michelle E. Bartlett,2024-03-01 Faculty development is essential for promoting excellence in teaching and research supporting institutional goals and creating a culture of continuous learning that benefits both faculty members and students However educational institutions do not always allocate adequate resources towards supporting their faculty's professional

development especially from the institutional level Underfunding this support can lead to the inability to attend conferences to keep up with the latest research and pedagogical practices in their fields the inability to conduct meaningful research and lack of access to modern technologies This in turn can limit faculty growth and harm student learning outcomes Ultimately faculty who do not feel supported by their institutions can become disengaged or leave This book attempts to address the needs of faculty from institutions where there may not be adequate resources to support robust faculty development activities The chapters are written by faculty development experts in the US and Europe who understand the disparities between institutions and want to share programs that can be implemented for little or no cost Each chapter provides objective content implementation and evaluation details that can be used to replicate the program at other institutions The hope is to begin to level the playing field in faculty development through sharing successful low resource programs with proven outcomes

Cultivating Mentors Todd C. Ream, Jerry Pattengale, Christopher J. Devers, 2022-10-11 Drawing on traditional theological understandings of mentor mentee relationships a distinguished group of contributors explores the practice of mentoring in Christian higher education With special attention to generational dynamics this book offers valuable insights and practical recommendations for faculty administrators and policy makers *From Topic to Thesis* Michael Kibbe, 2015-12-31 Every theology student has to write a research paper but many do not know how to go about doing theological research In this brief guide Michael Kibbe introduces students to the basics of academic research including how to gather and engage different sources use online databases and bibliography software and avoid common mistakes [The Activist Academic](#) Colette Cann, Eric DeMeulenaere, 2020-05-29 Donald Trump's election forced academics to confront the inadequacy of promoting social change through the traditional academic work of research writing and teaching Scholars joined crowds of people who flooded the streets to protest the event The present political moment recalls intellectual forbearers like Antonio Gramsci who imprisoned during an earlier fascist era demanded that intellectuals committed to justice can no longer consist in eloquence but in active participation in practical life as constructor organizer permanent persuader and not just a simple orator Gramsci 1971 p 10 Indeed in an era of corporate media and alternative facts academics committed to justice cannot simply rely on disseminating new knowledge but must step out of the ivory tower and enter the streets as activists The Activist Academic serves as a guide for merging activism into academia Following the journey of two academics the book offers stories frameworks and methods for how scholars can marry their academic selves involved in scholarship teaching and service with their activist commitments to justice while navigating the lived realities of raising families and navigating office politics This volume invites academics across disciplines to enter into a dialogue about how to take knowledge to the streets Perfect for courses such as Introduction to Social Theory Social Foundations Certificate in Public Scholarship Practicing Public Scholarship Reimagining Public Engagement Decentering the Public Humanities
