*Gracelets: Being Conduits of the Extravagant Acts of God's Grace* Winn Griffin, 2015-11-29 As Jesus followers we are the conduits for his gracelets We are carriers of the gracelets We don't own them thus we cannot use them at our discretion The gracelets are owned and operated by the Trinity In any life circumstance the Trinity might flow a drop or two of grace through us on its way to someone else When that gracelet reaches its destination our part is complete The giver of the gracelets decides how to make what we have delivered flourish in the recipient This book interacts with these ideas The Holy Spirit as Person and Power Rob Yule, 2020-01-10 In just over one hundred years the Pentecostal charismatic movement has transformed world Christianity Noted for their rediscovery of spiritual gifts and commitment to world evangelization 700 million Pentecostals and charismatics now account for more than 27 percent of the global Christian movement The Pentecostal charismatic movement has been more noted for its activism than for theological reflection But this may be changing The Holy Spirit as Person and Power challenges traditional theology to take account of what has been disclosed in the dynamism and variety of charismatic experience The author is a theologically trained practitioner impacted in midlife by a transforming experience of the Holy Spirit He has been a hands on leader in the renewal movement Now in his later years he reflects on the meaning of the grace imparted to the church by the renewing activity of God's Spirit This is not the work of an enthusiast claiming a new revelation Rather the author draws attention to many nuances in the Bible's description of the Spirit that have been overlooked in traditional pneumatology By relating these insights to Orthodox Catholic Protestant and evangelical theology he has produced a book with ecumenical implications for all branches of world Christianity The Girl of the Period: Her Fortunes and Misfortunes Bracebridge Hemyng, 1876 **The Greats of Sci-Fi: H.
