A Dinner for the Dogs

Your job is to figure out how much was raised through ticket sales and donations, and figure out how much supplies will cost (using the community center's donations). Then you will need to choose meals and drinks from a menu to help the shelter raise its desired goal of \$20,000.

On the following pages, you will find the cost breakdowns, menu of meals, drinks, and supplies that you will need to use in order to calculate the costs.

Finally, you will need to fill out the event plan on the last page. This will require you to fill in the menu for the evening, as well as the costs that will be placed. You will also need to show how much money was raised to help the shelter and whether or not they met their fundraising goal.
