

Grading Rubric: Grammar Conventions

Dimension	Exemplary A	Competent B	Emerging C	Failing D	Score
Structure	Paragraph breaks reinforce the organizational structure.	Basically sound paragraph breaks that reinforce the organizational structure.	Paragraphs sometimes run together or begin at ineffective places.	Paragraph breaks may be highly irregular or so frequent (every sentence) that they bear no relation to the organization of the text.	
Sentence Structure	All sentences are well-constructed with varied structure.	Most sentences are well-constructed and there is some varied sentence structure in the essay.	Some sentences are well-constructed, but others are fragments or run-on.	Most sentences lack proper construction; there are frequent run-on or fragmented sentences.	
Punctuation	Proper use of commas, semi-colons and end of sentence punctuation. No errors in capitalization.	Occasional errors in the use of commas, colons, semi-colons and end of sentence punctuation. Few errors in capitalization	Frequent errors in the use of punctuation such as comma splices, misuse of commas, colons or semi-colons, and apostrophes disrupt the flow of the text. Frequent errors in capitalization.	Repeated errors in the use of commas, colons, semi-colons, apostrophes, and end of sentence punctuation impede understanding of the text. Repeated errors in capitalization.	
Spelling	Correct spelling, even of more difficult words.	Spelling that is usually correct, especially on common words.	Spelling errors distract the reader; misspelling of common words occurs.	Frequent spelling errors significantly impair readability.	
Sentence Parts	Parallelism in verb use, noun-pronoun agreement; proper use of adjectives, adverbs and prepositions.	Occasional errors in verb use, noun pronoun agreement, adjectives, adverbs or prepositions.	Errors in verb use, noun pronoun agreement, adjectives, adverbs or prepositions that distract and confuse.	Excessive errors in verb use, noun pronoun agreement, adjectives, adverbs or prepositions that

Effective Grading Barbara E. Walvoord, Virginia Johnson Anderson, 2011-01-13 The second edition of *Effective Grading* the book that has become a classic in the field provides a proven hands on guide for evaluating student work and offers an in depth examination of the link between teaching and grading Authors Barbara E Walvoord and Virginia Johnson Anderson explain that grades are not isolated artifacts but part of a process that when integrated with course objectives provides rich information about student learning as well as being a tool for learning itself The authors show how the grading process can be used for broader assessment objectives such as curriculum and institutional assessment This thoroughly revised and updated edition includes a wealth of new material including Expanded integration of the use of technology and online teaching A sample syllabus with goals outcomes and criteria for student work New developments in assessment for grant funded projects Additional information on grading group work portfolios and service learning experiences New strategies for aligning tests and assignments with learning goals Current thought on assessment in departments and general education using classroom work for program assessments and using assessment data systematically to close the loop Material on using the best of classroom assessment to foster institutional assessment New case examples from colleges and universities including community colleges When the first edition of *Effective Grading* came out it quickly became the go to book on evaluating student learning This second edition especially with its extension into evaluating the learning goals of departments and general education programs will make it even more valuable for everyone working to improve teaching and learning in higher education L Dee Fink author *Creating Significant Learning Experiences* Informed by encounters with hundreds of faculty in their workshops these two accomplished teachers assessors and faculty developers have created another essential text Current faculty as well as graduate students who aspire to teach in college will carry this edition in a briefcase for quick reference to scores of examples of classroom teaching and assessment techniques and ways to use students classroom work in demonstrating departmental and institutional effectiveness Trudy W Banta author *Designing Effective Assessment* National Educational Technology Standards for Teachers International Society for Technology in Education, 2002 Standards were developed to guide educational leaders in recognizing and addressing the essential conditions for effective use of technology to support P 12 education **How to Create and Use Rubrics for Formative Assessment and Grading** Susan M. Brookhart, 2013-01-11 What is a rubric A rubric is a coherent set of criteria for student work that describes levels of performance quality Sounds simple enough right Unfortunately rubrics are commonly misunderstood and misused The good news is that when rubrics are created and used correctly they are strong tools that support and enhance classroom instruction and student learning In this comprehensive guide author Susan M Brookhart identifies two essential components of effective rubrics 1 criteria that relate to the learning not the tasks that students are being asked to demonstrate and 2 clear descriptions of performance across a continuum of quality She outlines the difference

between various kinds of rubrics for example general versus task specific and analytic versus holistic explains when using each type of rubric is appropriate and highlights examples from all grade levels and assorted content areas In addition Brookhart addresses Common misconceptions about rubrics Important differences between rubrics and other assessment tools such as checklists and rating scales and when such alternatives can be useful and How to use rubrics for formative assessment and grading including standards based grading and report card grades Intended for educators who are already familiar with rubrics as well as those who are not this book is a complete resource for writing effective rubrics and for choosing wisely from among the many rubrics that are available on the Internet and from other sources And it makes the case that rubrics when used appropriately can improve outcomes by helping teachers teach and helping students learn
