adolescent population is at risk of academic failure and other problem behaviors with another quarter considered moderately at risk School failure and the almost inevitable unemployment or underemployment that follows were among the most serious of these problems. This book examines the relationship between protective factors and academic achievement in elementary students Protective factors are individual or environmental safeguards that enhance a youngster s ability to resist stressful life events and promote resilience. There are protective factors at work in every system individual family peer school and community The Principal's Handbook Cynthia Mathews B.S. M.S. C.A.S., 2020-08-19. The Principal s Handbook is ungraded All of the routines practices and policies suggested can be use in all school settings. Specific information can be initiated to serve the grade level of the school environment. This handbook was prepared for the principal to use as a guide to bringing to all personnel in the school a ready reference in regard to current instructional practices and existing routines which will form a part of the policy of the school All of the documents are meant to be examples which could easily be transformed to meet the needs of any building administrator. This model handbook is a resource to be used by the principal to create a similar booklet reflecting the principal s personal leadership style. The material in this handbook is the nitty gritty of the routines and policies which are needed to assure a good start AND MAINTAIN A PRODUCTIVE ACADEMIC YEAR.

Developing Grading and Reporting Systems for Student Learning Thomas R. Guskey, Jane M. Bailey, 2024-07-24 Teachers parents students administrators and community members all agree that we need better grading and reporting systems Often these systems are inadequate because they are part of a tradition that can go unexamined and unquestioned for years Here is the first serious look at the issue written to provide all those involved especially teachers with a coherent and thoughtful framework Guskey and Bailey offer four pillars of successful grading and reporting systems Communication is the primary goal of grading and reporting Grading and reporting are integral parts of the instructional process Good reporting is based on good evidence Creating change in grading and reporting requires creating a multi faceted reporting system Written to help readers develop a deeper and more reflective understanding of the various aspects of the subject Thomas Guskey and Jane Bailey's work brings organization and clarity to a murky and disagreement filled topic Here is a practical and essential guide for teachers administrators or anyone concerned with understanding and implementing best practices in grading and reporting systems Best Practices for Effective Secondary School Counselors Carla F.
