Klock,2018-08-20 AIMS For the student the workbook provides an opportunity to put in practice material covered in class by
the teacher It is meant to be a proactive tool to help consolidate detailed knowledge of economics concepts and can help in
preparation for class tests as well as mid term and final exams Students are encouraged to write in the margins add notes
and doodle to customise the workbook For the teacher this answer book carries all the answers to the questions as well as
detailed explanations of the evaluation questions The evaluation questions can be set as mini essays in class and for
homework to enhance the students essay writing skills The other questions provide a way of ensuring students have
adequate knowledge analysis and evaluation skills to approach exam questions The workbook can act as a record of student
progress in class and at home Each chapter is designed to develop knowledge analysis and evaluation skills It is important to
note that the aim of the workbook was not to address specifically any single exam but rather to fully develop the necessary
skills required to understand economics The questions set vary in difficulty and cater to the needs of students of all abilities
Asterisks and are used to point out challenging questions For parents the workbook is aimed to close the gap between what
is being taught in class and the work being done by the student **Textbook for Students** Eluma Igwegbe,1958
