Grammatical Insights Into The New Testament:

Grammatical Insights Into the New Testament Nigel Turner, 1965 *Grammatical Insights Into the New Testament* Nigel Turner, 1977 **Grammatical Insights into the New Testament** Nigel Turner, 2015-01-29 An extension of Turner's conclusions in Volume III of Moulton's *Grammar of New Testament Greek*. A positive contribution to the permanent meaning of controversial passages in the New Testament. Grammatical Insights Into the New Testament Nigel Turner (philologist), 1965 A Handbook to the Exegesis of the New Testament Stanley E. Porter, 2022-02-07 This handbook provides a substantial theoretical and practical guide to the multifaceted discipline of exegesis of the New Testament. After an introduction to exegesis and a bibliographic essay on the basic tools, the volume has two major parts. The first focuses on method and includes essays on the major approaches to exegesis including textual criticism, language, genre, and backgrounds. The second part applies exegetical method to the various literary units of the New Testament. Most exegetical handbooks are either too short and brief, thereby failing to cover the requisite current topics in sufficient depth, or too technically difficult, failing to provide a useful methodology. This coordinated volume offers succinct and well-informed essays with plenty of bibliography, written by experts in their respective fields. The handbook will serve well as a textbook as well as a reference book to the major tools and topics in the area. This publication has also been published in paperback; please click here for details. **An Exegetical Bibliography of the New Testament: Luke and Acts** Günter Wagner, 1983 Acts: An Exegetical Commentary : Volume 1 Craig S. Keener, 2012-09-01 Highly respected New Testament scholar Craig Keener is known for his meticulous and comprehensive research. He utilizes an unparalleled range of ancient sources and offers a wealth of fresh insights. This magisterial commentary will be a valuable resource for New Testament professors and students, pastors, Acts scholars, and libraries. **Acts: An Exegetical Commentary : Volume 4** Craig S.
