Lara Monticelli

Gramsci Is Dead Anarchist Currents In The Newest Social Movements:

Gramsci is Dead Richard J. F. Day, 2005 Inspired to contribute to the symbiotic relationship between the academic and activist worlds Day has decided to pick up the pen instead of the Molotov cocktail The result is this brilliant book Ann Hansen Ann was sentenced to life imprisonment for blowing up a cruise missile component factory and is the author of *Direct Action The Memoirs of an Urban Guerilla* Gramsci and the concept of hegemony cast a long shadow over radical political theory Yet how far has this theory got us Is it still central to feminism anti capitalism anti racism anarchism and other radical social movements today Unlike previous revolutionary movements Day argues most contemporary radical social movements do not strive to take control of the state Instead they attempt to develop new forms of self organisation that can run in parallel with or as alternatives to existing forms of social political and economic organization This is to say that they follow a logic of affinity rather than one of hegemony This book draws together a variety of different strands in political theory to weave together an innovative new approach to politics today Rigorous and wide ranging Day introduces and interrogates key concepts From Hegel's concept of recognition through theories of hegemony and affinity to Hardt and Negri's reflections on Empire Day maps academia's theoretical and philosophical concerns onto today's politics of the street Ideal for all students of political theory Day's fresh approach combines Marxist Anarchist and Post structuralist theory to shed new light on the politics and practice of contemporary social movements

Gramsci is Dead Richard Day, 2005-09-28 Gramsci and the concept of hegemony cast a long shadow over radical political theory Yet how far has this theory got us Is it still central to feminism anti capitalism anti racism anarchism and other radical social movements today Unlike previous revolutionary movements Day argues most contemporary radical social movements do not strive to take control of the state Instead they attempt to develop new forms of self organisation that can run in parallel with or as alternatives to existing forms of social political and economic organization This is to say that they follow a logic of affinity rather than one of hegemony This book draws together a variety of different strands in political theory to weave together an innovative new approach to politics today Rigorous and wide ranging Day introduces and interrogates key concepts From Hegel's concept of recognition through theories of hegemony and affinity to Hardt and Negri's reflections on Empire Day maps academia's theoretical and philosophical concerns onto today's politics of the street Ideal for all students of political theory Day's fresh approach combines Marxist Anarchist and Post structuralist theory to shed new light on the politics and practice of contemporary social movements

Contesting Transformation Marcelle C. Dawson, Luke Sinwell, 2014-04-10 *Contesting Transformation* is a sober and critical reflection on the wave of social movement struggles which have taken place in post Apartheid South Africa Moving beyond a social movement scholarship that has tended to romanticise emergent movements this collection takes stock of the contradiction and complexity that is necessarily entangled in all forms of popular resistance Through an exploration of labour strikes legal organisations community protest and local government elections the contributors consider

how different movements conceive of transformation and assess the extent to which these understandings challenge the narrative of the ruling African National Congress ANC An empirically grounded analysis from a coterie of leading researchers and analysts Contesting Transformation is the definitive critical survey of the state of popular struggle in South Africa today

Protests and Generations: Legacies and Emergences in the Middle East, North Africa and the Mediterranean

,2017-04-18 The aim of Protests and Generations is to problematize the relations between generations and protests in the Middle East North Africa and the Mediterranean Most of the work on recent protests insists on the newness of their manifestation but leave unexplored the various links that exist between them and what preceded them Mark Muhannad Ayyash and Ratiba Hadj Moussa Eds argue that their articulation relies at once on historical ties and their rejection It is precisely this tension that the chapters of the book address in specifically documenting several case studies that highlight the generating processes by which generations and protests are connected What the production and use of generation brings to scholarly understanding of the protests and the ability to articulate them is one of the major questions this collection addresses Contributors are Mark Muhannad Ayyash Lorenzo Cini ric Gobe Ratiba Hadj Moussa Andrea Hajek Chaymaa Hassabo Gal Levy Ilana Kaufman Sunaina Maira Mohammad Massala Matthieu Rey G kb r Sarp Tanyildiz and Stephen Luis Vilaseca Protests and Generations is now available in paperback for individual customers **Neither Vertical nor**

Horizontal Rodrigo Nunes,2021-05-25 A decade ago a wave of mass mobilisations described as horizontal and leaderless swept the planet holding the promise of real democracy and justice for the 99% Many saw its subsequent ebb as proof of the need to go back to what was once called the question of organisation For something so often described as essential however political organisation remains a surprisingly under theorised field In this book Rodrigo Nunes proposes to remedy that lack by starting again from scratch Redefining the terms of the problem he rejects the confusion between organisation and any of the forms it can take such as the party and argues that organisation must be understood as always supposing a diverse ecology of different initiatives and organisational forms Drawing from a wide array of sources and traditions that include cybernetics poststructuralism network theory and Marxism Nunes develops a grammar that eschews easy oppositions between verticalism and horizontalism centralisation and dispersion and offers a fresh approach to enduring issues like spontaneity leadership democracy strategy populism revolution and the relationship between movements and parties

Global Movement Ruth Reitan,2013-10-18 Critical research and theorizing on the Anti or Alter Globalization Movement has exploded over the last two decades This volume provides a platform for scholar activists themselves to share insights from engaged research and to critically reflect on movement histories and internal dynamics It also highlights ways in which activists are reaching beyond their geographical and issue boundaries to link with others in struggle to construct a broader global movement of the left and beyond Case studies span the social movement spectrum from more traditional concerns with class the primacy of the labor movement economic redistribution and justice through the so called new movements of

identity and post materialist issues of peace the environment gender and indigenous struggles to the newest currents in post autonomy post anarchism and de or anti coloniality Together these studies show that what began in Chiapas with the Zapatista cry of basta ya as an anti globalization movement morphed for a time into alter globalization and global peace and justice and may now be emerging as a counter hegemonic project of and for global democratization This book was published as a special issue of Globalizations **The Future Is Now: An Introduction to Prefigurative Politics** Lara

Monticelli,2024-02-13 The gloomy prospect of climate change and ecosystems collapse calls for an urgent rethinking of all aspects of our life how we work produce eat spend take care of each other relate to nature and organize our societies Prefigurative initiatives are attracting a growing amount of attention from scholars and activists precisely because they are envisioning alternative futures by embodying radically different ways of living in the present Thanks to the contribution of leading researchers The Future is Now represents the go to book for anyone seeking a comprehensive state of the art and thought provoking introduction to the thriving field of prefigurative politics **Activism and the Detention of Migrants**

Tom Kemp,2023-12-05 This book is an empirically grounded critical engagement with the politics of immigration detention and deportation Focusing on the constitutive tensions and political generativity within the activist practices of the anti detention movement this book examines the distinction between representational and post representational political sensibilities Representational politics centres on representing the interests of disenfranchised people to the state and public and operates primarily within the regime of immigration law Post representational politics focuses on working collaboratively with those in detention to resist and challenge the deportation system Since representational politics is the predominant political imaginary of migrant rights campaigning the book focuses on illustrating and evaluating the role of post representational politics The book argues that the concept of post representational politics is important for understanding and participating in radical opposition to state racism This argument rests on the expanded possibilities it motivates of engaging with and resisting institutions that are poised to co opt resistance the attention it fosters to the situated power dynamics of political activities that collaborate with imprisoned people and its sensitivity to the politically and conceptually generative capacities of everyday embodied practices of resistance To make this argument this book employs innovative methodology to illuminate and engage with the practice based thinking of activist movements about the concepts of solidarity hospitality witnessing and accountability This book will be of interest to scholars and activists with interests in socio legal studies of immigration and refugee law as well as others in social movement studies critical legal studies border criminology and critical theory **Anarchism Today** Randall Amster,2012-03-09 With all of the provocative sometimes highly destructive acts committed in the name of anarchy this enlightening volume invites readers to discover the true meaning of anarchism exploring its vivid history and its resurgent relevance for addressing today s most vexing social problems In Anarchism Today an acclaimed scholar and one of the world s foremost advocates for the anarchistic tradition cuts through

common misconceptions and caricatures to explore what is perhaps the most poorly understood of all political theories As author Randall Amster explains rather than being an anti everything rationale for defiance and destruction anarchism is in fact a coherent set of values and practices with a rich history and contemporary relevance Passionate and provocative Amster s book offers readers an expert s perspective on what anarchism really means including its relationship to other political approaches its careful balancing of individual liberty and a functioning society and its controversial image as a wellspring of violence Along the way Amster addresses a number of current issues from the perspective of anarchism including corporate globalization environmentalism warfare nationalism education technology alternative economics criminal justice and even spirituality He concludes with a frank assessment of anarchism s impact and the role it can play in building a more just peaceful and sustainable world

New Perspectives on Anarchism Nathan J. Jun, Shane Wahl, 2010-01-01 The study of anarchism as a philosophical political and social movement has burgeoned both in the academy and in the global activist community in recent years Taking advantage of this boom in anarchist scholarship Nathan J Jun and Shane Wahl have compiled twenty six cutting edge essays on this timely topic in *New Perspectives on Anarchism*

Youth Culture, Education and Resistance , 2010-01-01 Youth Culture Education and Resistance Subverting the Commercial Ordering of Life is a ground breaking collection of essays that illustrate how youth culture has the potential to build solidarity amongst teachers activists scholars and practitioners for the purposes of confronting the dominant ideological doctrine influencing life at today s historical juncture emblemized through neoliberalism as well as building a society free from oppressive social formations Several leading international scholars and educators provide empirically and theoretically rich portraits of youth challenging the commercialized status quo inside and outside K 12 classrooms They also illustrate how cultural manifestations of youth speak directly against the social actors who continually vilify youth as the source of their own marginalization and the world s suffering and misery

Student Movements for the Republic of Kosovo Atdhe Hetemi, 2020-10-06 This book analyzes the central vision of three student movements organized by different generations of Kosovo Albanian students in 1968 1981 and 1997 By examining the dynamics of the demonstrations the author explores the dimensions forms and implications of student uprisings and resistance as well as the struggles for dominance by local Kosovo federal SFRY regional Albania and Serbia and international actors outside the Balkans While these demonstrations were organized by students the book shows that these were not necessarily academic but political highlighting the impact that students had on society to demonstrate It examines how the vision for Republic status or independence impacted the first and subsequent student movements Moreover due to the richness of the empirical data included this book contributes toward further discussions on social movements nationalism and state theories

Sites of Dissent Alissa Starodub, 2021-10-27 Contemporary articulations of dissent to social order and its production of truth cannot be ignored any longer Hamburg during the G20 gathering Washington D C on the day of Trump s inauguration the squares and streets of Paris and Tunis at the end of 2018 Public

space is temporarily taken by those who rise against the powers that keep structural oppression and social order in its place. Not only riots but collective social centres, protest camps and temporary as well as permanent occupations of lands and buildings are other utopian spatial alternatives created by autonomous social movements to prefigure a horizontal social organization. This book discusses spatial practices of autonomous social movements, the movements who see their everyday experiences and creations as the revolution they are making together with these movements and in taking the diversity of their articulations into account. *Sites of Dissent* is thus the story of a daring attempt to create research practices for radical transformation which requires a radical transformation of research practices. During this attempt, methodological rules of scientific research are broken and methodological heresy and wild experimentation with research practices take place. *Sites of Dissent* aims at opening new possibilities of including diverse ways of knowing and speaking into a collective knowledge creation process, at overcoming the individualized isolation in which the researcher produces knowledge about the outside world and it aims to create a space for collective learning about spatial practices of autonomous social movements to learn with and from the movements.

American Antifa Stanislav Vysotsky, 2020-07-09 Since the election of President Trump and the rise in racist and white supremacist activity, the militant antifascist movement known as antifa has become increasingly active and high profile in the United States. This book analyzes the tactics, culture and practices of the movement through a combination of social movement studies and critical criminological perspectives. Based on extensive fieldwork and interviews with activists, this book is the first scholarly sociological analysis of contemporary antifascist activism in the United States. Drawing on social movement studies, subculture studies and critical criminology, it explains antifa's membership, their ideology, strategy, tactics and use of culture as a weapon against the far right. It provides the most detailed account of this movement and also cuts through much of the mythology and common misunderstandings about it. This book will be of interest to scholars and students in sociology, political science, anthropology, criminology and history; however, a general audience would also be interested in the explanation of what drives antifa tactics and strategy in light of the high profile conflicts between fascists and antifascists.

Digital Media and the Politics of Transformation in the Arab World and Asia Carola Richter, Anna Antonakis, Cilja Harders, 2018-03-12 In times of increasing mediatization and digitalization, media play an important role in political and societal transformation processes. The authors of this volume take an actor-centered perspective to shed light on current cases in Arab and Asian countries. They inquire into the ways processes of networking and mobilization evolve in the context of restricted media systems and state-dominated public spheres. It features original research about various social and political actors such as women's rights activists, public intellectuals, anarchists and Islamists.

Anarchy in Athens Nicholas Apoifis, 2016-11-11 The battles between Athenian anarchists and the Greek state have received a high degree of media attention recently. But away from the intensity of street protests, militants implement anarchist practices whose outcomes are far less visible. They feed the hungry and poor, protect migrants from fascist beatings

and try to carve out an autonomous political social and cultural space Activists within the movement share politics centred on hostility to the capitalist state and all forms of domination hierarchy and discrimination Based on extensive ethnographic fieldwork among Athenian anarchists and anti authoritarians Anarchy in Athens unravels the internal complexities within this milieu and provides a better understanding of the forces that give the space its shape

Transgression as a Mode of Resistance Christina R. Foust,2010-06-22 Since industrialization two major theoretical perspectives have accompanied the vibrant practice of social change The first hegemony emerged as a less deterministic route to revolution from Marxist theory and forms the common sense of social movement today Within hegemonic resistance rhetoric links issues ideas and identities to form a recognizable collective agent whose aim is to transform the status quo into its vision of the world The second major mode of resistance transgression grows from anarchist and autonomous resistance to capitalism Transgression attempts to free individuals uniqueness and creative power by deconstructing authority and explicating the body in resistance

Transgression as a Mode of Resistance Rethinking Social Movement in an Era of Corporate Globalization provides the conceptual mapping for scholars students and practitioners to participate in the growing debate between these rich and powerful forces of social change Through a broad perspective on philosophy and history Christina R Foust demonstrates that hegemony and transgression are sometimes conflicting oftentimes inter related practices She responds to critics who believe that without a social change agent resistance appears baseless and na ve without a representational economy to cohere and express common interests social movement is impossible Through alternative social relationships and political performances transgressive resisters may reinvent daily life

Design and Political Dissent Jilly Traganou,2020-10-27 This book examines through an interdisciplinary lens the relationship between political dissent and processes of designing In the past twenty years theorists of social movements have noted a diversity of visual and performative manifestations taking place in protest while the fields of design broadly defined have been characterized by a growing interest in activism The book s premise stems from the recognition that material engagement and artifacts have the capacity to articulate political arguments or establish positions of disagreement Its contributors look at a wide array of material practices generated by both professional and nonprofessional design actors around the globe exploring case studies that vary from street protests and encampments to design pedagogy and community empowerment projects For students and scholars of design studies urbanism visual culture politics and social movements this book opens up new perspectives on design and its place in contemporary politics

Transgression 2.0 Ted Gournelos,David J. Gunkel,2011-11-24 One doesn t need to look far to find examples of contemporary locations of cultural opposition Digital piracy audio mashups The Onion and Wikipedia are all examples of transgression in our current mediascape And as digital age transgression becomes increasingly essential it also becomes more difficult to define and protect The contributions in this collection are organized into six sections that address the use of new technologies to alter existing cultural messages the incorporation of technology and alternative media in

transformation of everyday cultural practices and institutions and the reuse and repurposing of technology to focus active political engagement and innovative social change Bringing together a variety of scholars and case studies Transgression 2 0 will be the first key resource for scholars and students interested in digital culture as a transformative intervention in the types methods and significance of cultural politics *Quiet No More* Joel D. Harden, 2013-09-18 Spontaneous and creative protest movements have burst onto the political stage in Canada and around the world Joel D Harden an activist writer and educator offers a ground level account of the most important of these recent expressions of large scale political engagement mostly by young people Based on first hand accounts from many of the participants and organizers Harden describes key events and turning points in Canada and beyond from the viewpoint of a committed insider Harden believes that these new bottom up movements are the most challenging and effective agent of political change on the scene today galvanizing people to express their views actively in the streets and parks or in their workplaces The political and corporate power structure has been shaken by these challenges sometimes enough to generate real political change Political analysts journalists and academics have not yet come to terms with this new activism Harden briefly reviews theories that fail to capture its essence and those that come close to getting it In a concluding chapter addressed to students and participants in these social movements he offers his own take on a movement relevant theory informed by his own considerable experience as a widely respected Canadian activist This book offers new thinking about how ordinary citizens particularly young people have started to take back power in our democracy and change the world

Gramsci Is Dead Anarchist Currents In The Newest Social Movements Introduction

In the digital age, access to information has become easier than ever before. The ability to download Gramsci Is Dead Anarchist Currents In The Newest Social Movements has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Gramsci Is Dead Anarchist Currents In The Newest Social Movements has opened up a world of possibilities. Downloading Gramsci Is Dead Anarchist Currents In The Newest Social Movements provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Gramsci Is Dead Anarchist Currents In The Newest Social Movements has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Gramsci Is Dead Anarchist Currents In The Newest Social Movements. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Gramsci Is Dead Anarchist Currents In The Newest Social Movements. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Gramsci Is Dead Anarchist Currents In The Newest Social Movements, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware

or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Gramsci Is Dead Anarchist Currents In The Newest Social Movements has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Gramsci Is Dead Anarchist Currents In The Newest Social Movements Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
