general public And to understand the issues we need to understand the specialized language used in the field In this book Ravitch demystifies the often obscure and ever changing lingo of the education field With more than 500 entries EdSpeak translates what Ravitch refers to as the strange tongue of pedagogese into plain English adding historical context and lively commentary along the way This glossary will serve as a valuable resource both for veteran educators who need to stay abreast of newly emerging terminology and for newcomers to the profession be they teachers administrators parents students or just citizens who care about what happens in the classroom
