[Are You Missing the Real Estate Boom?](#) David Lereah, 2005-02-22 Are You Missing the Real Estate Boom? author David Lereah, chief economist for the National Association of Realtors, asks: We are experiencing a historic wealth building opportunity. To ensure that you don't miss out, Lereah provides the tools, information and analysis you need to become a savvy real estate investor. And he shows how to integrate real estate into your overall investment strategies and financial planning goals. Among the information you'll find in the book: How to become a master at dealing with real estate agents, brokers and lenders. Which home improvements will result in the greatest long-term gains. How to identify the vacation homes and regions that will increase the most in value. How to finance a first-time home with or without a big down payment. Why will the real estate boom continue into the next decade? Low interest rates are part of the story. Although mortgage rates have notched up slightly over the last year, they still remain

historically very low Technological advances from online real estate listings to automated underwriting to an explosion of financing options have reduced home ownership costs and simplified the process of buying and selling Continued high demand from baby boomers buying larger homes second homes and retirement homes and a new wave of immigrants and echo boomers buying first homes ensure that the boom will continue into the next decade The long term fundamentals for housing remain strong into the foreseeable future claims Lereah Far from a real estate bubble what we are experiencing today is a phenomenon that takes place only once every other generation a long term real estate market expansion Isn't it time you started taking advantage of it today Are you missing the real estate boom Can you increase your wealth from it For most people including current homeowners the answer is a resounding yes But it's not too late to increase your stake in the greatest real estate boom of our generation Whether you are a first time buyer or already own your home Are You Missing the Real Estate Boom will show you how you can dramatically increase your overall wealth Author David Lereah chief economist for the National Association of Realtors shows why the real estate market is poised to climb higher over the next decade and explains what you can do to profit from it Lereah calls today's market a once in every other generation opportunity Today's boom is not just driven by low interest rates there are a host of demographic and economic reasons why real estate will continue to outpace other investments from the growing needs of the baby boomer generation and the rise of the echo boomer generation to the new ways real estate is marketed and sold Are you a first time buyer A current homeowner considering whether or not to trade up There has never been a better time to do so Lereah convincingly claims In Are You Missing the Real Estate Boom Lereah explains what to look for when you're buying a home which improvements add the most value to your current home what to consider when purchasing rental properties how to evaluate real estate investment trusts or REITs and the pros and cons of second homes Full of detailed information on how to work with a real estate agent and a mortgage lender how to analyze local markets and regional fluctuations and how to best finance your investment Are You Missing the Real Estate Boom offers readers the seasoned advice they need to invest with confidence and reap outsized rewards
