Growing Slowly Wise Building A Faith That Works:

Growing Slowly Wise David Roper, 2015 **Lifestyle Fitting Heaven** Kancho Georgiev, 2016-11-30 The aim of Lifestyle Fitting Heaven is a thorough survey of each subject introduced in the Teaching on the Mount with the intent for a deeper understanding of Jesus clear cut demand of how a Christian life should be conducted Although exceedingly profound His precepts are astoundingly comprehensible and accessible because they are not designed for the wise and learned but for the little children who are innocent in heart and eager to embrace and comply with them Yet their tone is not mawkish but didactic admonitory guiding liberating and most notably propitious for it puts all in eternal blissful perspective provided we are on the right track The author very much hopes that by the grace of God this book will be edifying to a great number of people who hate the dreariness of shallow religiosity and have determined to disciple and prepare their souls for the eternal approval of God

Spiritual Formation Corneliu C. Simuț, 2022-04-26 This book is a multichapter introduction to spiritual formation within the Christian tradition Corneliu C Simu discusses spiritual formation from the views of several Christian thinkers with a chapter devoted to each thinker The concluding chapter notes common themes shared by each thinker The author presents some key Patristic Medieval Early Modern Modern and Contemporary theologians in a way that is characterized by brevity concision and clarity Thus this small book is a useful introduction to spiritual formation from a Christian perspective It would be helpful for a college student or young adult who seeks to be educated on the subject The conciseness of the book is a benefit Yet the book raises interesting questions for further pursuit A very succinct but comprehensive historical presentation of sanctification through the lens of spiritual formation a concept which has been revived in the past two decades especially in Evangelical circles this text is useful for a college course in spiritual formation or religion

Re-Covering in God Sue Watlov Phillips, 2014-05-28 I lost my joy of loving God and loving others as myself as I expressed my thirsting and hungering for God in unhealthy ways Instead of utilizing God s light to guide me I often turned to alcohol and the isms that had become part of my life workaholism perfectionism caretakerism and athleticism My refusal to accept that I had developed the disease of alcoholism after drinking normally for twenty five years created insane scenarios as I turned to alcohol for relief when in a state of dis ease with life but that relief valve became my enemy This was further complicated by doctors not understanding alcoholism and the consequences of prescribing medications to me for pain and anxiety As I walked through the valley of the shadow of death I thought I walked alone My heart soul body and mind wrestled with God over my denial of this disease called alcoholism How could I a Christian for over fifty years be struggling with this disease How could I have hurt God others and me How could I be such a poor witness Would I face the truth with God and let Him reveal the damage done to my foundation Would I face God myself and others and make amends Or would I continue to run and hide in my alcoholism and other isms As I turned to God His light revealed to me the truth about myself and what I needed to do in order to be in His will As I choose to be recovered in God s Spirit each moment the spirits of

alcoholism and other isms flee but only as long as I choose to Be still cease striving know God and live In His will not mine
