Kurth, 2020-11-03 **God The Devil and Divorce** tells the story of a Christian woman's marriage and divorce recovery from her crazymaking spouse and how she learned to trust God along the way How could

Linda Moore Kurth's marriage that once seemed so right become so wrong Put downs shaming and distancing grow into habitual emotional abuse Counseling provides glimmers of hope only for that hope to fade She is shocked when her latest Christian counselor tells her If you divorce Satan wins Linda receives a dichotomy of reactions from other Christians for her ultimate decision to leave her marriage Betrayal and heartache bring her to her knees but she clings to the belief that God loves her more than He loved her marriage That belief sustains her as she builds a life of abundant joy An inspirational read for Christians going through divorce and recovery Water Is Thicker than Blood Jana Marguerite Bennett, 2008-03-04 This book considers how homes households and domestic life are related to the Church Early theologies glorified the monastic lifestyle as a way to transcend earthly attachments in favor of supernatural goods Contemporary thinkers have seen that functioning marriages and families themselves can lead us toward a more righteous society Jana Bennett insists that both marriage and singleness must be placed in the context of the Christian story of redemption for the questions and problems at stake to be fully understood She finds that Augustine of Hippo maligned by modern theologians is the source of very fruitful reflection on these topics Most scholars today would agree that Augustine's works have exerted great influence on Western views of marriage family and sex But many would argue that this influence has been detrimental to a healthy understanding of these topics However using Augustine's writing Bennett shows that marriage and singleness cannot be considered separately that gender issues are important to considering these states correctly and most important that the marriage between Christ and the Church is the first consideration in understanding and living these states of life The water of baptism Christians first birth and initiation into the life of Christ is the primary standard for relationships rather than familial ties

Trisha Day spent three months living inside the enclosure of Our Lady of the Mississippi Abbey a community of twenty Cistercian nuns Although she had long been monastic associate she was startled by the unexpected challenges and insights that emerged as the weeks went by and began a process of profound reflection on her experience Now drawing on her journals and reflections and on her own experience as a professional woman wife daughter and mother she delves into the questions of how the centuries old wisdom of monastic life can challenge inspire and guide those living outside the monastery Organized around topics such as prayer community and the vows each of Day s reflections begins with memories of her monastic experience and then presents a perceptive and often humorous critique of the contrasting values of our present culture For each topic she chronicles with honesty and humility her subsequent struggles to apply back home the alternative approaches learned from the sisters she lived with and offers a wealth of practical suggestions Filled with stories from her own life and fascinating details of daily life in the monastery her book is sure to strike a spark with all those seeking to live in a fully human and Christ centered way
