

Introduction to the Study of the History of the United States

The purpose of this course is to provide a comprehensive overview of the history of the United States, from the early colonial period to the present. The course will cover the major events, figures, and themes that have shaped the nation's development.

1. The early colonial period (1600-1700)

The early colonial period was characterized by the establishment of the first permanent settlements in North America. The Pilgrims and Puritans sought religious freedom and economic opportunity in the New World.
