Sustainable Consumption Experience and Business Models in the Modern World Machado Carvalho, Maria Amélia, Rodrigues, Maria Antónia, 2023-12-21 In the face of escalating environmental degradation and dwindling natural resources, the imperative for sustainable production and consumption has taken center stage, compelling companies and consumers alike to seek a more sustainable path forward. Sustainable consumption and production entail the utilization of goods and services that strive to minimize detrimental impacts on the environment. This involves reducing the utilization of natural resources, toxic substances and polluting emissions, all while ensuring the satisfaction of future generations' needs. *Sustainable Consumption Experience and Business Models in the Modern World* explores the crucial interplay between sustainability, businesses and consumers. From a business standpoint, the pressing concerns surrounding sustainability drive the emergence of innovative sustainable products, services and business models. Simultaneously, conscientious consumers increasingly gravitate towards sustainable alternatives, embracing the purchase of eco friendly products and services, engaging in product exchanges, doing it yourself initiatives, acquiring second hand items and participating in the sharing economy. Designed for professionals, students and researchers in the field of sustainable marketing, this book covers a wide range of disciplines including but not limited to sustainability, sustainable marketing, green products, second hand goods and consumer behavior.
