Stebbins, 2020-07-25 The Serious Leisure Perspective SLP is a theoretic framework developed by Robert A Stebbins in 1973 that brings together three main forms of leisure known as serious leisure casual leisure and project based leisure The SLP has evolved considerably since 1973 and this textbook provides a synthesis of the many concepts and propositions as well as the data supporting them In this overview Stebbins organizes the entire framework along conceptual lines with careful attention to level of empirical support and validation of each concept presenting an up to date version of the SLP that allows interested students and researchers of social psychology sociology and leisure studies to pinpoint exact elements of the theory the empirical base and its application

**A New Science of Suffering, the Wisdom of the Soul, and the New Behavioral Economics of Happiness: Towards a General Theory of Well-being** Paul T. P Wong, Lok Sang Ho, Richard Gregory Cowden, Claude-Hélène Mayer, Fan Yang, 2023-10-24 New developments in positive psychology have evolved into the 2nd and 3rd waves going beyond the individual and positive focus towards complex systems multi cultures and the existential positive psychology of transcending suffering The present project aims at developing a general theory of well being that integrates all the above changes as the new frontier of positive psychology At a time when humanity is threatened by all kinds of existential crises from climate change to nuclear war from ideological polarization to a widening income gap we need to develop a big picture theoretical framework showing that happiness is not just for those

living in peace and prosperity but also for those struggling in dire poverty and war ravaged countries like Ukraine not just for the self but also for others not just for the present but also for future generations This broader approach towards wellbeing opens up new vistas for research and interventions
