Fletcher, 2020-05-15 A full color trip through the treasures of American Childhood from 1650 to today Remember the toys you played with when you were growing up Each of those objects has a story to tell about the history of American childhood and play Construction toys like Lincoln Logs and Erector Set offer insight into America's booming urban infrastructure in the early 1910s and 20s and the important role toys played in preparing children for future careers in engineering and architecture A stuffed toy monkey from Germany tells the story of young Jewish refugees to the United States during World War II The board game Candyland has its origins in the dreaded polio epidemic of 1950s Exploring Childhood and Play Through 50 Historic Treasures brings together a collection of beloved toys and games from the last two centuries to guide readers on a journey through the history of American childhood and play 1840 2000

Through color photographs and short essays on each object this book examines childhood against the backdrop of culture politics religion technology gender parenting philosophies and more The book features ten categories of objects including board and electronic games dolls action figures art toys optical toys animal toys construction sets and sports Each essay tells the story of the individual object its historic context and each passage builds upon one another to create a fascinating survey of how childhood and play changed over the course of two centuries **Ponyville Confidential** Sherilyn

Connelly,2017-03-28 Beloved by young girls around the world Hasbro s My Little Pony franchise has been mired in controversy since its debut in the early 1980s Critics dismissed the cartoons as toy advertisements and derided their embrace of femininity The 2010 debut of the openly feminist My Little Pony Friendship Is Magic renewed the backlash as its broad appeal challenged entrenched notions about gendered entertainment This first comprehensive study of My Little Pony explores the history and cultural significance of the franchise through Season 5 of Friendship Is Magic and the first three Equestria Girls films The brand has continued to be on the receiving end of a sexist double standard regarding commercialism in children s entertainment while masculine cartoons such as the Transformers have been spared similar criticism **The UX Book** Rex Hartson,Pardha S. Pyla,2025-03-24 The UX Book Agile Design for a Quality User Experience

Third Edition takes a practical applied hands on approach to UX design based on the application of established and emerging best practices principles and proven methods to ensure a quality user experience The approach is about practice drawing on the creative concepts of design exploration and visioning to make designs that appeal to the emotions of users while moving toward processes that are lightweight rapid and agile to make things as good as resources permit and to value time and other resources in the process Designed as a textbook for aspiring students and a how to handbook and field guide for UX professionals the book is accompanied by in class exercises and team projects The approach is practical rather than formal or theoretical The primary goal is to imbue an understanding of what a good user experience is and how to achieve it To better serve this processes methods and techniques are introduced early to establish process related concepts as context for discussion in later chapters A comprehensive textbook for UX human computer interaction HCI design students readymade for the classroom complete with instructors manual dedicated website sample syllabus examples exercises and lecture slides Features HCI theory process practice and a host of real world stories and contributions from industry luminaries to prepare students for working in the field The only HCI textbook to cover agile methodology design approaches and a full modern suite of classroom material stemming from tried and tested classroom use by the authors **Plunkett's InfoTech Industry**
