Hebraic Roots An Introductory Study:

Hebraic Roots William Mark Huey, 2011-12-19 Hebraic Roots An Introductory Study has been written as a primer for the emerging number of people who are being drawn into a more comprehensive grasp of the ancient roots of our Biblical faith. As a family that has been active in the Messianic movement since 1995, we came to the unanimous conclusion that a book about many of the areas for growth would be beneficial for the many thousands who are being prompted into a fuller and richer pursuit of the God of Abraham, Isaac, and Jacob, and who truly want to live the way that Yeshua the Messiah, Jesus Christ, our Jewish Savior, lived. Have you heard about the Messianic movement? Have you heard about the significance of the Torah for a Believer's walk of faith? Have you been in the Messianic movement for some time? Do you even know why you are in it? Do you need a foundational introduction to the Hebraic Roots of our faith and who Yeshua truly is in His Biblical and historical Hebraic context? Do you want to know more about what God is doing in this hour? If you have ever asked any of these questions, then this workbook will help get you started. This volume examines a number of areas for study and discussion and will prompt questions for personal reflection or group exchanges in twelve easy lessons. Each chapter has study questions that will enable you to think and examine the Scriptures like never before. If you are unfamiliar with the Messianic movement, some of its basic beliefs and lifestyle practices, and the great potential it offers God's people today, then Hebraic Roots is the book for you. A general introduction to the study of the Hebrew Scriptures, with a critical history of the Greek and Latin versions, of the Samaritan Pentateuch, and of the Chaldee Paraphrases George HAMILTON (Rector of Killermogh.), 1814. Finding Freedom Donna J. Stundahl, 2015-01-29 Do you ever feel like you're wandering in a wilderness alone? Are you searching for the same freedom the children of Israel sought only to find oppression at every turn? Are you looking for a life filled with promise only to be repeatedly disappointed? You are not alone. We are all on a journey from slavery to sin to the ultimate Promised Land in Heaven where we will be free. Everything in between is a wilderness experience. Moses expounded on freedom in the wilderness. He explained exactly where to find it and how to get there. He clearly spoke to the Jew and the foreigner. The question is: Does He speak to the Christian as well? In her book Finding Freedom, Dr. Stundahl will wander through the wilderness of Deuteronomy and explore the Hebraic roots of Christianity. Finding Freedom reveals the concepts of the Torah assembled in the same format in which they were studied by the Jewish communities since the Babylonian exile. These concepts include humility, idolatry, evil speech, teaching, learning, remembering, and listening. The analysis of each portion of the Torah considers its applicability to the life of a Christian. As the history of Christianity and the Jewish elements of the Gospel are discovered, the shadows of Jesus Christ are revealed. Wherever you are in the wilderness of your life, you too can find the freedom intended just for you. Experience the reading, the writing, and the dance of the Torah.
