Toth,2006 How can we structure class time efficiently How can we explain and lecture effectively How can we help students  
master content How can we make learning more real and lasting In this revised and greatly expanded 2nd edition of  
Inspiring Active Learning educators Merrill Harmin and Melanie Toth provide answers to our fundamental teaching  
questions and show us how to transform our classrooms into communities of active responsible learners The authors present  
an array of research based teacher tested strategies for managing our everyday responsibilities from beginning a class to  
grading homework from instructing large groups to promoting diligent seatwork from motivating slackers to handling  
disrupters These strategies focus on mutual respect not bossiness collaboration not isolation commitment to learning not fear  
of failure and the dignity of all not praise or rewards for a few Regardless of our level of experience or the grade or subject  
we teach the active learning approach helps us Perform routine teaching tasks more easily Discover a higher level of  
teaching success and personal satisfaction Establish a class climate of full participation and cooperation Prepare engaging  
lessons that keep students productively involved Encourage students to work energetically willingly and intelligently each  
day Inspire all students even the most challenging to strive for excellence With its detailed classroom examples and more  
than 250 practical strategies Inspiring Active Learning is a comprehensive reference for solving almost any teaching problem

The Brown Center on Education Policy conducts research on topics in American education with a special focus on efforts to  
improve academic achievement in elementary and secondary schools The center seeks to inform policymakers at all levels of  
government to influence the course of future educational research and to produce a body of work valuable not only to  
policymakers and scholars but also to parents teachers administrators taxpayers school board members and the general  
public This annual report analyzes the state of American education using the latest measures of student learning uncovers  
and explains important trends in achievement test scores and identifies promising and disappointing educational reforms

Unlike similar reports intended solely for government use the Brown Center Annual Report is written for an audience of parents teachers and policymakers     *The Elementary School Library Collection* ,1998     *The 2001 Brown Center Report on American Education* Brookings Institution.
