Sharp Cut Steven H. Gale, 2021-02-16 While best known as one of the most important playwrights of the twentieth century Harold Pinter 1930 2008 had an equally successful career writing screenplays His collaborations with director Joseph Losey garnered great attention and esteem and two of his screenplays earned Academy Award nominations The French Lieutenant's Woman 1981 and Betrayal 1983 He is also credited for writing an unproduced script to remake Stanley Kubrick's 1962 adaptation of Lolita Much scholarship has been dedicated to the subject of Pinter as playwright but the rich landscape of his work in film has been left largely undisturbed In Sharp Cut Harold Pinter's Screenplays and the Artistic Process Steven H Gale the world's foremost Pinter scholar analyzes Pinter's creative process from initial conception to finished film Gale makes careful point by point comparisons of each stage in the screenplay's creation the source material the adaptations themselves and the films made from the scripts in order to reveal the meaning behind each film script and to explain the cinematic techniques used to express that meaning Unlike most Pinter scholars who focus almost solely on the written word Gale devotes discussion to the cinematic interpretation of the scripts through camera angles and movement cutting and other techniques Pinter does not merely convert his stage scripts to screenplays he adapts the works to succeed in the other medium avoiding elements of the live play that do not work onscreen and using the camera's focusing operations in ways that are not possible on the stage As

Pinter's career progressed and his writing evolved screenplays became for him an increasingly vital means of creative expression Sharp Cut is the first study to fully explore this important component of the Pinter canon Pinter's Comic Play Elin Diamond, 1985 Examines the basis of Harold Pinter's tense comedy and how it functions in his plays as well as covering the major drama from The Room to Other Places Diamond argues that the metaphysical fear and emptiness so characteristic of the Pinter situation are inseparable from his use and abuse of literary and popular comic traditions Harold Pinter William Baker, 2008-11-08 A succinct examination of Nobel prize winner Harold Pinter's creative output providing introduction to drama including theatre film TV and radio and Pinter's letters prose and journalism **Pinter's World** William Baker, 2018-09-15 Pinter's World Pinter and Company is not a full scale biography but a series of illuminating chapters about Pinter's life character and thought employing new information found in his Appointment Diaries recent biographical sources such as Simon Gray's memoirs and Henry Woolf's reminiscences in addition to personal discussions with several in Pinter's world This book provides a fresh illumination of Pinter's life and art his friendships obsessions and concerns Material is arranged around themes key concerns Pinter's activities Pinter's meetings and endeavors for instance with whom he met and when when he wrote what and when and his perspective at the time are documented This work explores Pinter's writing drama poetry prose journalism and letters which are here regarded as part of his aesthetic achievement Pinter's World Pinter and Company presents a pointillist portrait of him through examining central concerns in his life These encompass an obsession with the theater and games delight in restaurants demonstrating that Pinter is far removed from the socially awkward isolated figures populating his early work and the women in Pinter's world Other areas examined include Pinter's political engagement from his adolescence to his last years and the literary and other creative influences upon him This work draws upon consultation of his papers at the British Library including letters to others especially close friends with whom he kept close contact for over half a century These letters should be regarded on par with his other creative accomplishments Pinter was a fascinating letter writer whose letters reveal thoughts at the time of writing often in abrupt most colorful idiomatic language His Appointment Diaries cannot reveal what actually occurred during his meetings but they do provide a guide to what he did on a daily basis and whom he met Memories from his friends his professional colleagues cricket players and his second wife Antonia Fraser illuminate Pinter's personality and actions Pinter's first literary love was poetry and unlike most other Pinter studies this one gives attention to his neglected poetic output that often reveals the real Pinter and the enigma that is at the heart of every great artist Betrayal Harold Pinter, 1979 Two years after their affair has ended Emma and Jerry her husband's best friend meet and reflect on their illicit relationship

Saunders,2023-06-05 Harold Pinter provides an up to date analysis and reappraisal concerning the work of one of the most studied and performed dramatists in the world Drawing extensively from The Harold Pinter Archive at the British Library as well as reviews and other critical materials this book offers new insights into previously established views about his work The book also analyses and reappraises specific key historical and contemporary productions including a selection of Pinter s most significant screenplays In particular this volume seeks to assess Pinter s critical reputation and legacy since his death in 2008 These include his position as a political writer and political activist from disassociation and neutrality on the subject until relatively late in his career when his drama sought to explicitly address questions of political dissent and torture by totalitarian regimes The book revisits some familiar territories such as Pinter s place as a British absurdist and the role memory plays in his work but it also sets out to explore new territories such as Pinter s changing attitudes towards gender in the light of MeToo and queer politics and how in particular a play such as *The Caretaker* 1960 through several key productions has brought the issues of race into sharper focus Part of the Routledge Modern and Contemporary Dramatist series Harold Pinter provides an essential and accessible guide to the dramatists work **PGT English Question Bank**
